4. The persondays provided for the FY 2011-12 is lesser in comparison to the FY 2010-11?

This is because the figures for 2011-12 are as on January 2012 for which two(2) months are yet to complete.

(B) 1. Why is the employment provided lesser than the provision under the Act?

Since the employment provided is demand-driven, therefore, the job is provided based on the demand of the Wage Seekers. Funds from the MoRD are also released based on these demands.
