

MGNREGA

BI-ANNUAL REPORT

FY 2015-16 and 2016-17

STATE RURAL EMPLOYMENT SOCIETY
COMMUNITY AND RURAL DEVELOPMENT DEPARTMENT
GOVERNMENT OF MEGHALAYA

Construction of Check Dam at Wah Langru, Pingwait, Mawkynrew C&RD Block, East Khasi Hills District

Construction of CC Road at Jatah Lakadong, Mawkynrew C and RD Block, East Khasi Hills.

Preface

The two Financial years 2015-16 and 2016-17 showed tremendous improvement in the implementation of the MGNREGA in the State. The labour budget approved by MoRD during the two Financial years are **170.39 lakh** and **200 lakh** persondays respectively. Achievement stood at **198.88 lakh** persondays which surpassed the approved projection touching **116.72%** in 2015-16 and **282.2 lakh** persondays which is **141.1%** of the approved persondays in 2016-17.

Funds made available to the State during the FY 2015-16 was **Rs. 286.56 crore** out of which the expenditure was **Rs. 279.80 crore**. Of this, **Rs. 193.57 crore** was utilized for clearing backlogs of the previous financial year. The actual utilization during the year was **Rs. 69.11 crore** on wages and material, **Rs. 17.10 crore** on Administrative expenses and **Rs. 0.02 crore** for the implementation of Sansad Adarsh Gram Yojana (SAGY). An amount of **Rs. 15.00 crore** was also utilized from the State Corpus Funds for meeting the wage payments.

During FY 2016-17, the funds made available to the State was **Rs.1006.2948 crore** while the expenditure was **Rs. 847.03 crore**. Out of this, **Rs.418. 41 crore** was utilized for clearing backlogs of the previous financial year. Actual utilization during the year was **Rs. 349.83 crore** on wages and material, **Rs. 25.89 crore** on administration and **Rs. 97.75 crore** for Delay Payments. An amount of **Rs. 15 crore** was refunded to the State Scheme and an amount of **Rs. 36.60 crore** to the State Corpus Fund. Furthermore, **Rs. 37.65 crore** was taken as a loan from the State Corpus Fund for meeting the wage payments.

In an attempt to strengthen the capacity of the Village Employment Councils (VEC) on record maintenance and functioning of Electronic Fund Management System (eFMS), trainings have been made an integral part of the implementation process in the State. Through the efforts of State Rural Employment Society (SRES) and the State Institute of Rural Development (SIRD), numerous trainings were conducted for the stakeholders across the State.

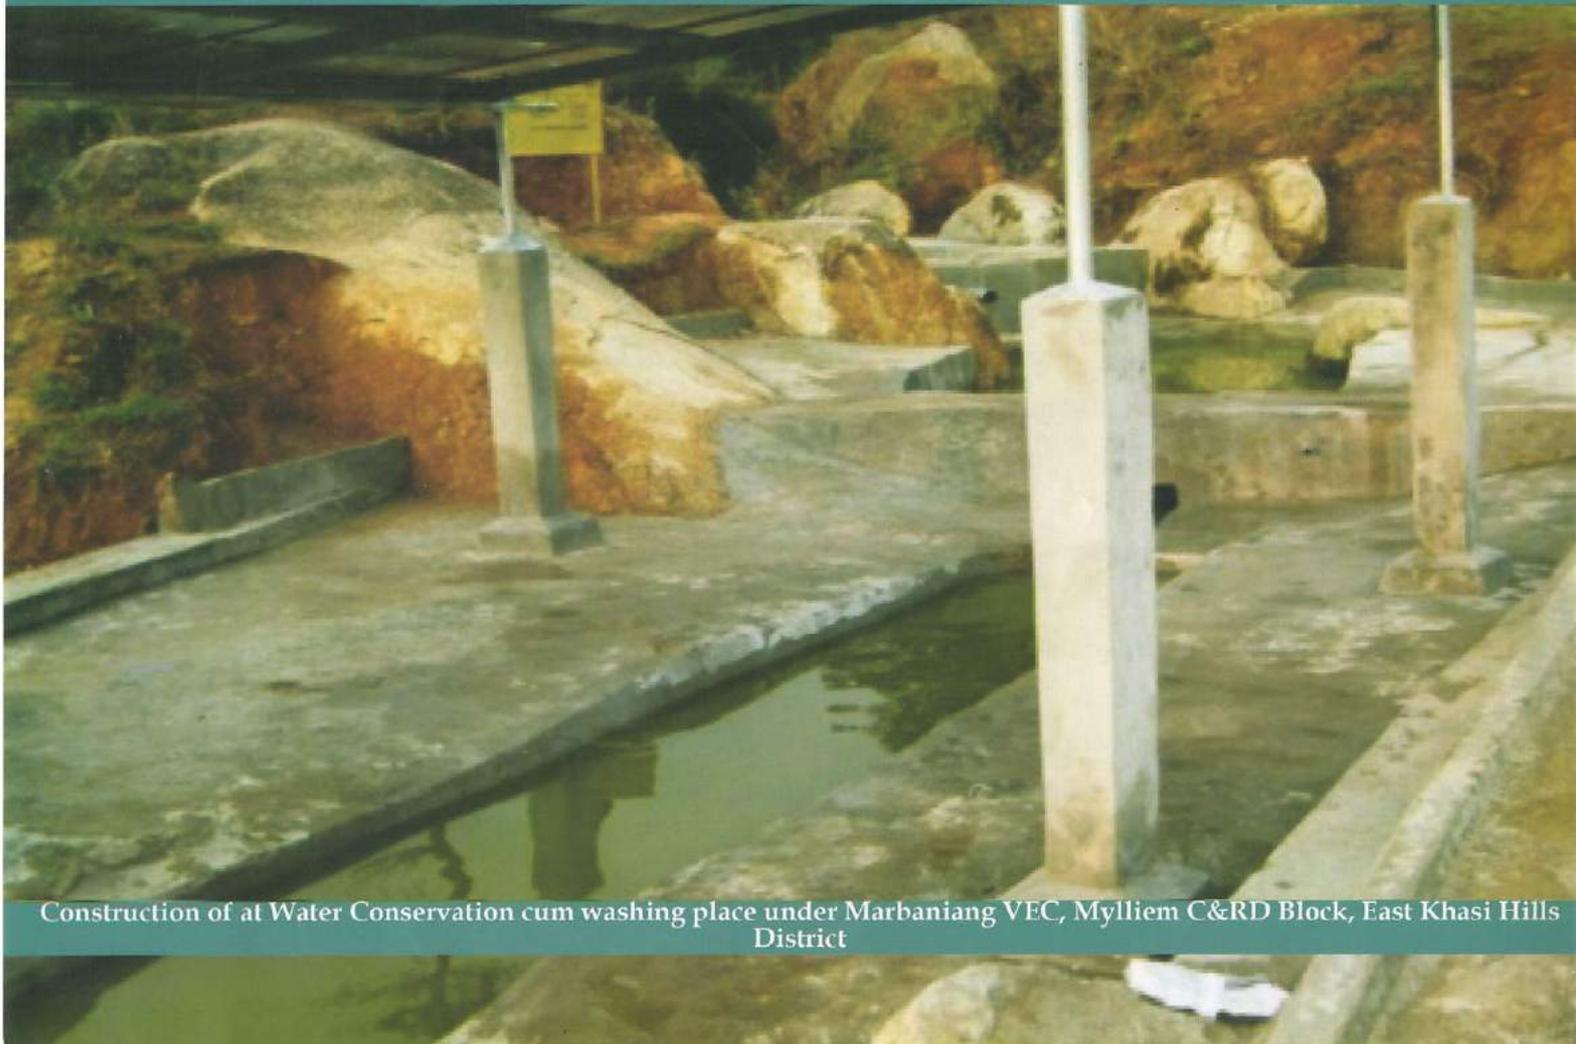

Social Audit was given special emphasis by the MoRD. In view of this, the Meghalaya Society for Social Audit & Transparency(MSSAT) which is an independent society was set up by the Community and Rural Development Department (C&RD), Government of Meghalaya to conduct Social Audits of flagship programme of the Department of Rural Development, Ministry of Rural Development (MoRD), i.e., for Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS).

The MIS is online for all the 39 blocks. The year 2015-16 saw the implementation of the Electronic Fund Management System (eFMS) in 5 blocks of the East Khasi Hills District in order to speed up the payment to the beneficiaries. This was scaled up to 100% eFMS universalisation by 1st December, 2016.

The FY 2015-16 ended with a liability of **Rs. 414.60 crore** which was met from the funds released during FY 2016-17 and the FY 2016-17 accrued a liability of **Rs. 410.02 crore** which was met from the funds released during FY 2017-18.

THE MAHATMA GANDHI NATIONAL RURAL EMPLOYMENT GUARANTEE ACT

Introduction

The MGNREGA is not merely a programme that is being implemented in the State, but it is the backbone of Rural Development. True to its objectives, the Act provides livelihood security to the rural households especially during the lean season. Through the program, transformation is seen across the landscape of the villages in the form of footpaths, roads, footbridges, community washing facilities, water conservation, playgrounds, etc. Besides the wage earned, the assets created serve the needs of the people in all areas of intervention.

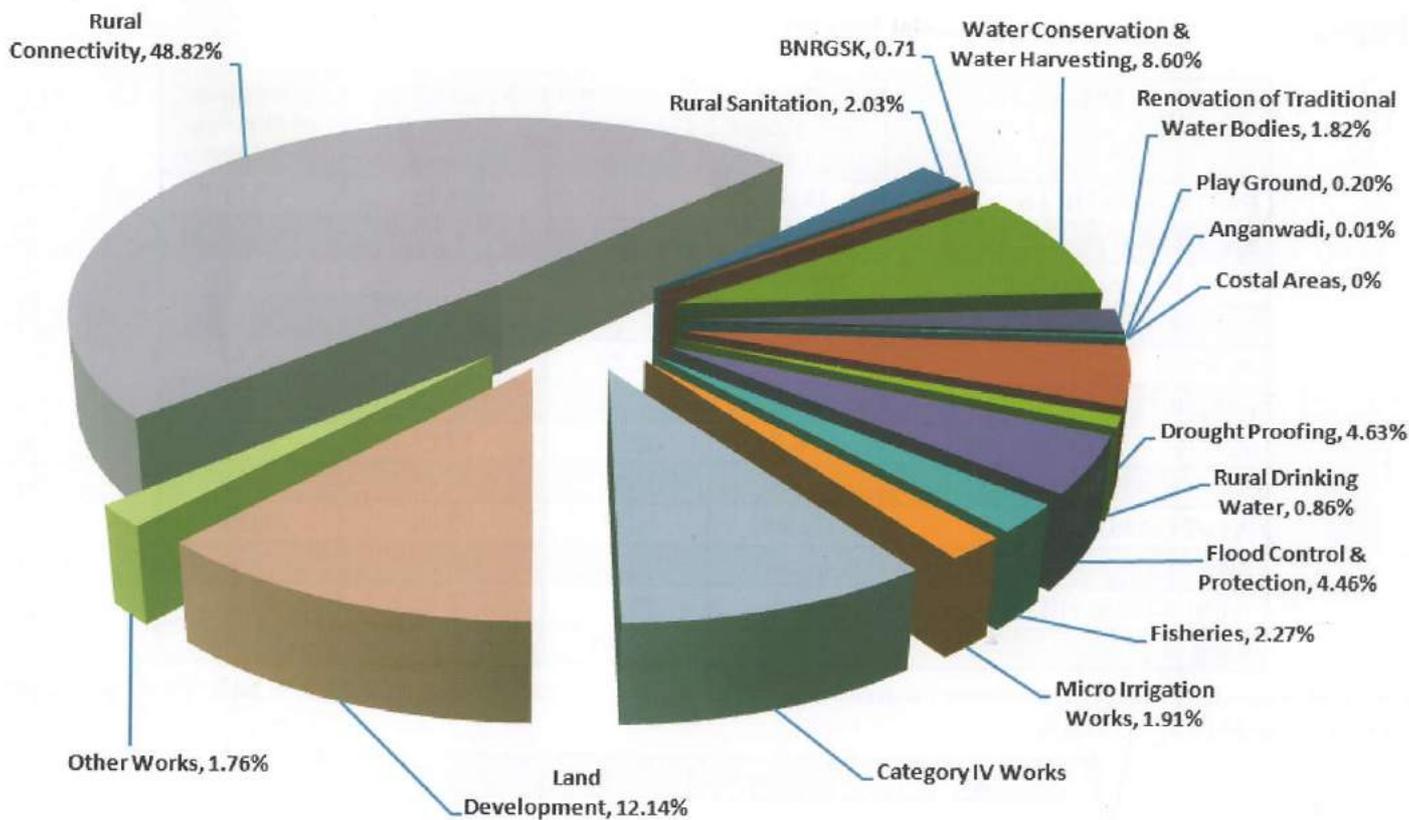

Out of all of these, Rural connectivity has always been a priority for the VECs considering the difficult terrain and inaccessibility in the villages. With proper connectivity, it is envisaged that other areas such as agriculture can be developed.

With the shifting of focus to livelihood activities, the VECs have ventured out of the usual pattern and took up construction of sheds for piggery, poultry,goatery and cattle rearing. This has not only provided infrastructure to the individual households, but has also provided them an opportunity to create sustainable livelihood activities particularly for the youths.

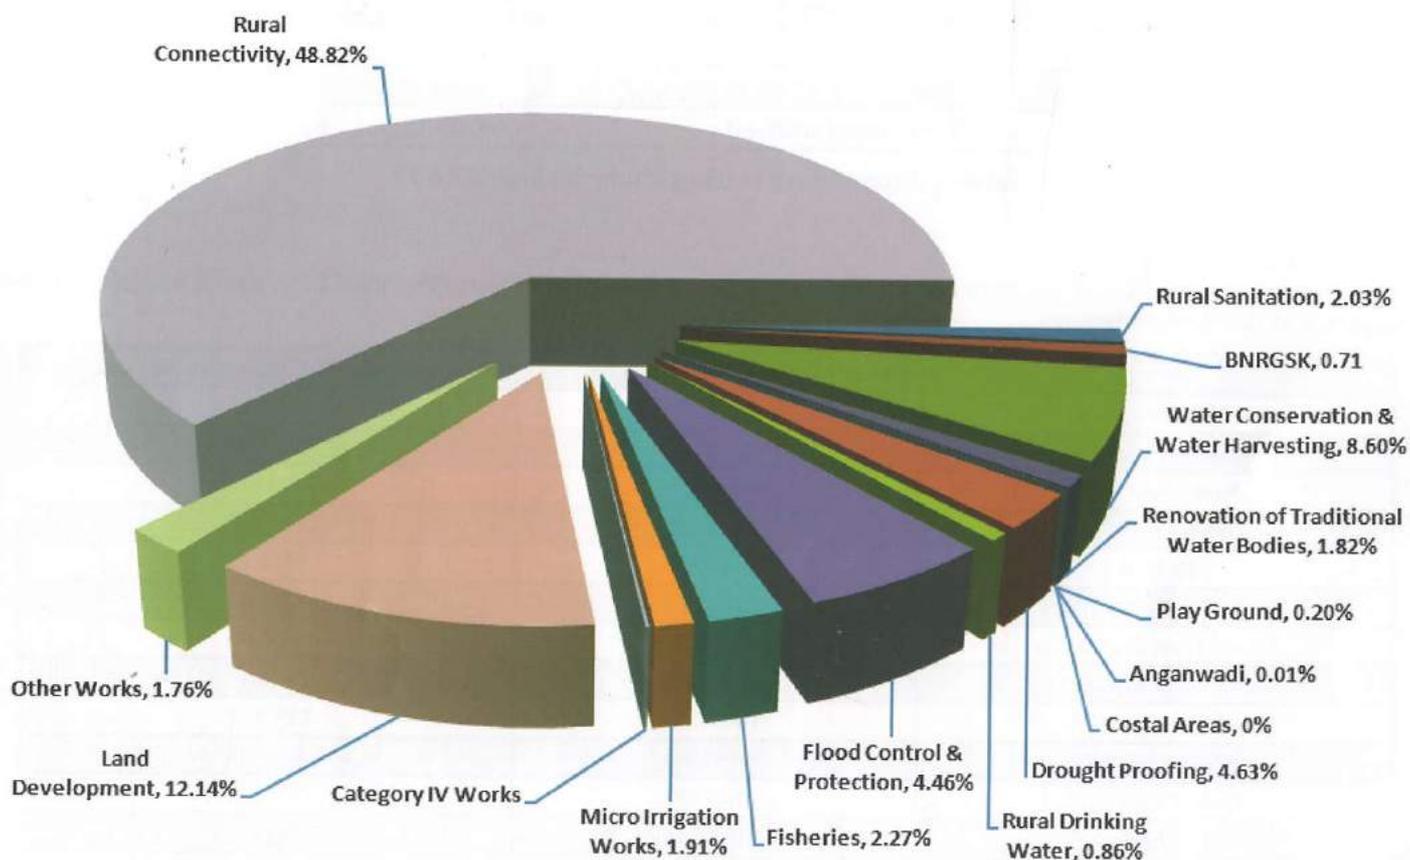

The year 2015-16 saw the implementation of Electronic Fund Management System (eFMS) for the payment of all MGNREGA related expenses. It was implemented in the pilot district, i.e., East Khasi Hills District; in 5 blocks out of the total of 8. An amount of **Rs. 2.22 crore** was initialized for this purpose. These five blocks are Myllem, Mawsynram, Mawryngkneng, Mawkynew and Khadarshnong-Laitkroh.

In 2016-17, the rolling of 100% EFMS was carried out for the state from 1st December 2016 for payment of all wages and material expenses under MGNREGA. The total amount of transaction under EFMS is Rs. 204,13,33 lakhs.

During the years, the Meghalaya Society for Social Audit and Transparency (MSSAT) was created to look after the Social Audit in the entire State. MSSAT is an independent society set up by the Community and Rural Development Department, Government of Meghalaya, as per instructions of the MoRD to conduct Social Audits of flagship programme for Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS). At present, MSSAT has been entrusted with the mandate to conduct social audits of Indira Awaas Yojana (IAY), a flagship scheme of the Ministry of Rural Development which since inception has been providing assistance to BPL families who are either houseless or having inadequate housing facilities for constructing a safe and durable shelter. The area of operation of the Society is extend to the whole state of Meghalaya.

Training Programme for VEC/AEC Functionaries under MGNREGA, Dadenggre C&RD Block, West Garo Hills District

Training & Capacity Building during Financial Year 2015-16

MGNREGA has set a landmark by placing the community as a principal implementing agency to implement the scheme. The Act mandated planning and implementation from the Village level. The community is given the responsibility to plan, implement and execute works for their own development. The MGNREGA is a complex programme and peoples' rights and entitlements have to be safeguarded and timelines have to be met. It is necessary to ensure that training is a continuous affair and not a one-time activity. Training of different stakeholders play a very important role in deciding the success of any scheme. It is, therefore, imperative to generate awareness, provide regular training to different stakeholders on different aspects in order to meet the aims and objectives of the scheme. The need to make the VECs and Block level staffs fully aware of the operational guidelines, procedures for implementation, execution of works, monitoring, evaluation and data management is necessary for smooth implementation of the scheme.

In the absence of Panchayati Raj Institutions, the Village Employment Council and the Area Employment Council were formed to function as village level implementing agencies. They have been identified as the principal agencies for the implementation of MGNREGA. It is, therefore, imperative to build the capacities of the village level functionaries for effective implementation of MGNREGA so that the rights and entitlements of the people can be safeguarded as per its mandate. The training programmes are focused on providing book-keeping skills as well as awareness on the rights, entitlements and Social Audit.

Training Programme on MGNREGA for VEC / AEC Functionaries , Dadenggre C&RD Block, West Garo Hills District during Financial Year 2015-16

Feedback Received from the Trainees during FY 2015-16

1.	"The whole training programme is helpful because it helps us to enter and maintain record properly and other information about MGNREGA which we don't know before." - Participant from Betasing C&RD Block.
2.	"This training had benefited all the participants, as it had increased our knowledge and correct the error that we made." - Participant from Betasing C&RD Block.
3.	"The training is very important for proper functioning of the scheme and to ensure transparency and accountability." - Participant from Betasing C&RD Block.
4.	"Delay payment is one of our main problems while implementing this scheme." - Participant from Betasing C&RD Block.
5.	"Material projects like Culvert and motorable roads for infrastructure development." - Participant from Betasing C&RD Block.
6.	"Inadequate materials for better functioning of MGNREGA like computer and internet facilities." - Participant from Betasing C&RD Block.
7.	"The VEC functionaries should have included more women's representative to this kind of training." - Participant from Dambo Rongjeng C&RD Block.
8.	"Using of Power Point Presentation would have been more interesting and meaningful to this training." - Participant from Dambo Rongjeng C&RD Block.
9.	"In order to maintain record on cashbook & ledger in a proper way, computer training should also be given." - Participant from Dambo Rongjeng C&RD Block.
10.	"Through this training we came to know about the new permissible works which include mostly agriculture and livelihood related which was not known to us." - Participant from Mawthadraishan C&RD Block.
11.	"The training has helped me a lots and through it, I have learnt how to maintain the cash book and ledger." - Participant from Zikzak C&RD Block.
12.	"Delay of payment is one of our main problems while implementing of this scheme." - Participant from Baghmara C&RD Block.
13.	"Implementation of this scheme has created a lot of assets to the village like construction of bridges, roads etc." - Participant from Baghmara C&RD Block.
14.	"The training make us aware about the important features of the scheme." - Participant from Baghmara C&RD Block.
15.	"Training of cash book is the most important since it is difficult." - Participant from Baghmara C&RD Block.
16.	"All the topics that we have learnt during the training are new for us and very helpful." - Participant from Baghmara C&RD Block.
17.	"This training is important because we can updates our records before Social Audit." - Participant from Baghmara C&RD Block.
18.	"What we have learnt from this training will share it in our VEC." - Participant from Baghmara C&RD Block.
19.	"Now I know how to maintain the cash book and ledger without any difficulty." - Participant from Khliehriat C&RD Block.
20.	"This training has really benefited me, especially on cash book and ledger which is the important part of record maintenance." - Participant from Saipung C&RD Block.
21.	"An initiative taken by the State Government to reduce the number of registers from 11 to 7 is one of the best step to reduce the hiccup in maintaining records at the VECs level." - Participant from Mawthadraishan C&RD Block.
22.	"Such kind of training is needed from time to time, since VEC functionaries keep on changing." - Participant from Nongstoin C&RD Block.
24.	"We have benefited so much from the training and it is helpful in proper maintenance of the records." - Participant from Nongstoin C&RD Block.
25.	"We have learnt new things like works under agricultural sector, and livestock related works." - Participant from Pynursla C&RD Block.
26.	"Before the training I did not know much about maintaining records. Now I have learnt how to maintain account and the registers under MGNREGA." - Participant from Pynursla C&RD Block.
27.	"If time permit, such training may be given to each and every VEC in order to bring benefit to every VEC functionaries." - Participant from Umsning C&RD Block.

Training Programme for VEC/AEC Functionaries under MGNREGA, Mawkyrwat C&RD Block, South West Khasi Hills District

Feedback Received from the Trainees during FY 2016-17

"The training is very important for proper functioning of the scheme and to ensure transparency and accountability." - Participant from Khliehriat and Saipung C&RD Block.
"Through this training we have learnt new things like Utilization Certificate (UC), REEM, focus areas and PRA." - Participant from Khliehriat and Saipung C&RD Block.
"Delay of payment is one of our main obstacles in the implementation of this Scheme." - Participant from Khliehriat and Saipung C&RD Block.
"This training has benefited us a lot especially the tools of planning (PRA) and how to plan the works in our village especially to those newly elected VECs functionaries." - Participant from Khliehriat and Saipung C&RD Block.
"This training has benefited us a lot especially the tools of planning (PRA) and how to plan the works in our village especially to those newly elected VECs functionaries." - Participant from Khliehriat and Saipung C&RD Block.
"PRA helps us to identify areas and projects, it is new for us." - Participant from Amlarem C&RD Block.
"It helps us to maintain records properly." - Participant from Amlarem C&RD Block.
"We learnt about the transfer of wages to individual account and delay in payment." - Participant from Amlarem C&RD Block.
"This training has helped us to maintain the records properly and has made it easier for us whenever there is any social audit." - Participant from Nongstoin C&RD Block.
"Information that we now can update the registers in the Khasi language is really something that can change the performance of the VEC." - Participant from Nongstoin C&RD Block.
"The renewal of the registers and the teachings on its maintenance has eased our tasks and responsibilities as the VEC members." - Participant from Nongstoin C&RD Block.
"The teaching on Social mapping and Resource mapping is a new topic that we have learned and is very much important for us on how to develop our village in the coming days." - Participant from Nongstoin C&RD Block.
"We now understand on how to choose the types of works that are important in the village." - Participant from Nongstoin C&RD Block.
"Proper maintenance of the records only on the cash book register without updating the ledger is newly informed to us and is good for us since our workload has been reduced." - Participant from Nongstoin C&RD Block.
"We have been benefited at lots through the training and we seek for more of the same kind so that we can really perform in the VEC and can bring a lot of good changes in our village." - Participant from Nongstoin C&RD Block.
"The trainers have also informed us that we can enroll the differently abled persons as Job Card Holders with a different category in which they can be allotted with special work types whenever needed." - Participant from Nongstoin C&RD Block.
"I hope that we can perform well in the village and that we can teach the VEC members on how to plan and select the types of works that are first and mostly needed in the village." - Participant from Laskein C&RD Block.
"I have learnt new thing such as PRA exercises as an important tool in planning and Convergence with IBDLP as well with other line department." - Participant from Laskein C&RD Block.
"Cash book, newly created registers and Rural Economic Empowerment Mission are the most relevant for us and through this training I have learnt how to fill these registers in a proper way." - Participant from Laskein C&RD Block.
"Individual asset under MGNREGA together with SHGs is a good initiative for us for improving the livelihood of the people in a sustainable manner." - Participant from Laskein C&RD Block.
"Some of the new initiative that I have learnt includes forming of SHGs (REEM) and Focus Area." - Participant from Mawshynrut C&RD Block.
"Through this training, I have learnt new thing such as Forming of SHGs under MGNREGA (REEM), convergence with IBDLP and other line department, Focus areas like 18 day compost pits, IHHL and other." - Participant from Mawshynrut C&RD Block.
"Individual asset creation and Identification of 20 households in the villages is a good initiative and new for me." - Participant from Mawshynrut C&RD Block.

**Grievance Redress &
Quality Monitoring
Financial Year 2015-16 & 2016-17**

Grievance Redress of 2015-16

During Financial Year 2015-16, two complaints were redressed by the State Rural Employment Society (SRES). The grievances were issues reported in the local newspaper. Efforts are being made to ensure that the grievances are redressed in time and effective actions are taken.

The details of the complaints and inquiries conducted are as follows:

Sl. No	Nature of complaint	District/ Block	Findings	Action Taken
1.	<p>1. Some members of the same families are having more than one Job Card.</p> <p>2. Some families have worked for more than 100 days in a financial Year. One family received wages for 162 days</p> <p>3. Some beneficiaries have not received their wages for work done in FY 2012-13, instead they were made to sign on muster rolls for which they have not done.</p> <p>4. People are forced to sign on fresh MRs with rate of Rs.145/- in the FY 2013-14. While they wanted their original wages of Rs. 128/- for FY 2012-13.</p> <p>5. In addition to the news report, Smti. Agnes Kharshiing on behalf of the beneficiaries complained to the National Human Rights Commission (NHRC) on the implementation of MGNREGA in Pynter VEC on 9th August, 2015.</p>	<p>Pynter VEC, Pynursla C&RD Block, East Khasi Hills.</p> <p style="text-align: center;">I n q u i r y conducted on 17th & 18th August, 2015.</p>	<p>1. There are families having more than one Job Cards. During the inquiry, many came forward and admitted the same.</p> <p>2. As per record received, there are no families who have worked for more than 100 days. It is however, observed that the calculation followed by complainants was for a Calendar Year and not Financial Year.</p> <p>3. The main reason is due to late submission of muster rolls by VEC functionaries. Since the data entry for the FY 2012-13 was closed, the MRs could no longer be entered into the MIS.</p> <p>4. There is a change in names and account number of some beneficiaries when cross checked between the MRs through MIS and those available with the VEC functionaries.</p> <p>5. Technical records reflect disbursement of another Rs. 1.50890/- lakh to the VEC, while MIS did not reflect the said amount.</p> <p>6. This is due to the late submission of MRs and the same could not be entered into the MIS. This has led the VEC to prepare fresh MRs to enable to claim their wages for the work done in FY 2012-13.</p>	<p>1. The findings along with report were forwarded to the Community and Rural Development Department for necessary action.</p> <p>2. The SRES vide letter dated 19th February, 2016 requested the MoRD to open the data entry for the FY 2012-13 & 2013-14.</p> <p>3. All pending payments of Rs.1.30645/- lakh have been cleared by the office of the Block Development Officer, Pynursla C&RD Block and the same has also been entered in the MIS, upon opening of data entry.</p> <p>4. All records and Action Taken Report was forwarded to C&RD Department on 27th May, 2016 for taking up with the NHRC.</p> <p>5. Based on the action taken on the matter, the NHRC vide letter dated 6th June, 2017 informed that the case is closed.</p>

Sl. No	Nature of complaint	District/ Block	Findings	Action Taken
2.	<p>1. Check dam does not exist though it was revealed through RTI that an amount of Rs. 5.38086/- lakh was utilized for its construction in FY 2010-11.</p> <p>2. KSU 12-Shnong Circle claims that rural development schemes were not properly implemented in the Village and out of 100% of the allotted Rural Development schemes; hardly 40% of it reaches the rural areas.</p> <p>3. For the construction of footpath in FY 2012-13 sanctioned at an amount of Rs. 6.48861/- lakh, the targeted length is 0.58 kms, however, only 180 meters was constructed.</p>	<p>N o n g b a h M a w s h u i t V E C /East Khasi Hills/ Khatarshnong L a i t k r o h Block.</p> <p>Date of inquiry was 3rd March, 2016.</p>	<p>1. The project on construction of check dam by the VEC was completed at a total expenditure of Rs. 5.44546/- lakh. However, due to natural calamities i.e. landslides and water current, it was washed away leaving only traces of the materials utilized.</p> <p>2. The construction of footpath is still incomplete thereby falling short in achieving its full length. However, the completed portion is satisfactory and very stable. The total expenditure till date is Rs. 6.07711/- lakh as per records at the Block office.</p> <p>3. The expenditure made for implementation of these two projects is at a higher cost due to labour requirement for transportation (head load) of materials like cement, rods, stones, etc. from the last motorable point to project site.</p> <p>4. One of the complainants, Shri. Prik Ksing was also a beneficiary under both the projects i.e. Construction of Check-dam and Footpath, which reflects that the claim of the complainants for non- existence of the Check-dam is not true.</p> <p>5. The plans and estimates were not prepared before/ during the execution of the works but were prepared at a later stage after implementation for the construction of footpath.</p> <p>6. Clarification should be sought from the Block office on missing Voucher No.</p>	<p>Clarification furnished by the BDO:</p> <p>1. There was an error in entering the voucher No. 226. The actual payment made was for Voucher No. 230. No payment made for the previous voucher.</p> <p>2. Construction of check dam was completed. However, for footpath, the work is incomplete; there was error in entering data in MIS.</p> <p>3. For non- certification of vouchers amounting to Rs. 1,36,566/-, the BDO clarified stating that, earlier there was no instruction on the same during 2010-11. The instructions were given at a later stage.</p> <p>The MRs has not been signed by the BDO due to oversight.</p>

Sl. No	Nature of complaint	District / Block	Findings	Action Taken
			<p>230 in the MIS and on the difference in amount as per VEC's record and as per MIS for Voucher No. 226. Clarification should also be sought from the Block office on the status of completion of footpath. As per MIS it is reflected as Complete.</p> <p>7. Social Audit should be carried out in a thorough and proper manner. Instruction may be given to the NGO concerned.</p> <p>8. The VEC stopped working since December 2014 till date out of fear for the action of the acting Sordar.</p> <p>9. The implementation of MGNREGA within the VEC appears to be in a smooth and calm manner. No misappropriation of MGNREGA funds is detected and amounts released has been accounted for. Thus, the VEC can continue with their works and ensure that the construction of footpath is completed.</p>	

Besides the above mentioned complaints, there were also complaints and news reports which were not inquired directly by the SRES but were forwarded to the Districts for necessary action from their end. The number of complaints forwarded to the Districts are as follows:

District	Number of Complaints
West Garo Hills	5
East Garo Hills	4
East Khasi Hills	2
Jaintia Hills	1
Total	12

Grievance Redress of 2016-17

During the Financial Year 2016-17, the State Rural Employment Society was able to settle a long pending complaint under Selsella C&RD Block, West Garo Hills District. The complaint was filed by the material supplier M/S Megha Enterprise during 2013 against the Government for withholding payment of material bills amounting to Rs. 63,97,764/-

Sl. No	Nature of complaint	District/ Block	Findings	Action Taken
1.	Non-payment of bills for hardware materials supplied by M/S Megha Enterprise by the DC and DPC, West Garo Hills	Selsella C&RD Block, West Garo Hills (24th October-1st November 2016)	<p>1. The firm M/S Megha Enterprise had neither supplied all materials as per indent to the 62 VECs, nor had it given all required cash payments to the VECs for the materials they procured which were supposed to be done as per the conditions of the undertaking. The firm has however, obtained Clearance Certificates from 59 VECs and petitioned for clearance of the amount of Rs. 63,97,764/- from the office of the DPC, West Garo Hills. The amount payable after verification is Rs. 979,525/- only.</p> <p>2. The materials supplied by the firm had also not been cross-checked and verified by the concerned Technical Assistants and Gram Sevaks. The vouchers had however been verified by them.</p> <p>3. There is a gross negligence of duties by the Gram Sevak and Technical Assistants of the Block which is observed in their certification of supplied materials without even checking whether the same have been supplied to the VECs or not.</p> <p>4. The VECs had unknowingly signed the Clearance Certificate as they were made to believe that the materials due will be cleared either in cash or in kind by the firm.</p> <p>5. The firm managed to manipulate the VECs and obtained Clearance Certificates without making due payments for</p>	<p>Based on the findings and recommendations of the inquiry, the following actions have been taken: The DC& DPC was vide D.O. No. SRES/MEGH.60/2016-17/Pt. XXVII/777 dated 2nd December 2017 advised to:</p> <ol style="list-style-type: none"> 1. Blacklist the firm from the list of approved firms under any of the RD programmes implemented by the DRDA and Blocks. 2. File an FIR against the firm under suitable provision of law. 3. Punish Technical Assistants and Gram Sevaks involved in the mismanagement of material supply. 4. Direct the Block to activate Purchase Committee 5. Analyse and assess the amount due to 62 VECs in lieu of the amount spent for purchase of hardware materials from their own source. 6. The pending dues of Rs 56,42,428 (Rs 46,62,903 to the 62 VECs under Selsella C&RD Block and Rs 9,79,525 to the M/S Megha Enterprise has been transferred into the Block account vide letter No.SRES/MEGH.60/2016-17/Pt.XXVIII/841 vide date 4th August 2017. 7. The Proprietor of M/S Megha Enterprise has agreed to the findings of the inquiry conducted by SRES and have requested for withdrawal of the case against the firm. All the liabilities pertaining to M/S Megha Enterprise has been cleared vide letter

Quality Monitoring of 2015-16 and 2016-17

The MGNREGA has created sustainable and durable assets in strengthening the livelihood resource base of the rural people. During the two Financial year 2015-16 and 2016-2017, the State Rural Employment Society (SRES) has engaged officials for monitoring and inspection of the various projects taken up by the VECs under the MGNREGA flagship.

The table below indicates the districts in Meghalaya where inspections were taken up by the officials of SRES during the Financial Year 2015-16 and 2016-2017.

Sl. No	Districts	No. of Inspected Projects (2015-16)	No. of Inspected Projects (2016-17)
1	East Khasi Hills	33	47
2	West Khasi Hills	38	35
3	South West Khasi Hills	0	0
4	Ri Bhoi	28	30
5	West Jaintia Hills	26	29
6	East Jaintia Hills	27	12
7	West Garo Hills	30	45
8	South Garo Hills	0	10
9	North Garo Hills	0	0
10	South West Garo Hills	15	29
11	East Garo Hills	0	0
Total		197	237

Findings of the monitoring and field inspection conducted by SRES during Financial Year 2016-17

1. Non maintenance of cleanliness of the assets created i.e Check dam, Washing platform, Drinking well, Fishery pond, Side drain etc.
2. Signboard not erected at the worksites
3. Poor Record maintenance at the VEC level Non maintenance of cleanliness of the assets created i.e Check dam, Washing platform, Drinking well, Fishery pond, Side drain etc.
4. Unused Livestock related works i.e Piggery, Poultry, Goatery. The beneficiaries should have positively utilised the asset for their own benefit.
5. Non opening of Bank accounts by the Job Card holders. The job card holders should be mobilized and encourage for opening of bank account.
6. Delay in payment of wages. On availability of fund wages should not be delayed as it is against the MGNREGAct.
7. Low survival rate of tree plantation. For the success of plantation saplings should be taken care of from time to time.
8. Commissioned charged by MRB, Markasa from beneficiary. Block Office should seek clarification as to why such commission is charged from the beneficiaries.
9. Unused BNRGSK at Mawthadraishan Block. The building should be use for the public purpose and for the benefit of the people.

2. Approval of Annual Action Plan by March end.
3. Early completion of Financial Audits.
4. Payment of Project Management Charge for VEC functionaries.
5. Preparation of Model Estimates to bring in uniformity.
6. Appointment of additional Technical Assistants for better technical support
7. Pay parity of MGNREGA staff at the District and Block level has been implemented.
8. Monitoring formats have been improved.
9. Creation of state WhatsApp group for better communication with the Districts and Blocks.
10. Video Conference at regular intervals
11. eFMS.

Construction of Water Conservation Pond at Mawkohnoh VEC, Mawthadraishan C&RD Block, West Khasi Hills District

Construction of footpath cum retaining wall from umkdong B. Demthring VEC, Myllem C&RD Block, East Khasi Hills District

State Wide Tour

In addition to the annual monitoring, a special drive on State wide tour was carried out in 2016-2017 under the leadership of the Commissioner Secretary.

In a span of months, all the 39 blocks were covered. The number of works and VECs visited are reflected in the table below.

No. of District Visited	No. of C&RD Blocks Visited	No. of VECs Inspected	No. of Projects Inspected
11	39	86	173

Some of the findings of the field visits of the Commissioner & Secretary, C&RD Department are:-

1. There is a shortage of technical staff in most of the Blocks. Fresh instructions have been given to districts to appoint Technical Assistants as per the required number worked out as per the formula. The number of Technical Assistants recruited after giving instruction is 42.
2. The format, size, cost, colour code and material used for the signboard vary from Block to Block and District to District. The correct specification has been thoroughly designed and was circulated to all districts.
3. Poor quality works due to non-utilization of materials. To improve the quality of the projects undertaken, the Blocks have been instructed to facilitate community participation and utilization of materials as per norms to ensure that better quality assets are generated. Districts have been requested that wherever required, materials should also be included for the projects to be undertaken to ensure that the projects implemented are durable and satisfactory.
4. It is observed that there is a frequent change of the VEC functionaries even though they have not completed 3 years in office. This frequent change leads to slackness in record maintenance and in work execution. It is advised that the frequency in VEC leadership should be discouraged. Replacement in VEC functionary can only be made upon the completion of the tenure or if there are serious allegations of misappropriation and failure to effectively discharge their duties.
5. Signboards found stacked at the Block office in WGH district. Orders were issued to immediately distribute the signboards to VECs for installation at worksites.
6. Usages of labour displacing machineries were observed in few Blocks. Instruction was given to desist such practices.
7. VEC needs constant capacity building to evolve as a strong community institution. It is felt that we were focused more on technical aspects but not on promoting leadership of the institution.

Shared goals during the visits are:-

1. Creation of 'durable assets' with focus on water and rural connectivity.
2. Focus on 'Bottom 20' to provide individual livelihood assets to the poorest in the village.
3. Mobilization of Job Card holders into SHGs and facilitating of increase savings through the wages earned.
4. Convergence with Agriculture, Horticulture, Animal Husbandry and Veterinary, MBDA to create sustainable livelihood and assets.

Policy intervention brought in:-

1. Amendment in the State Scheme for improving administration and implementation of the Scheme in bigger VECs.

Social Audit & Public Hearing During Financial Year 2015-16

Social Audit during Financial Year 2015-16

With the creation of the Meghalaya Society for Social Audit and Transparency (MSSAT) in FY 2015-16, sole responsibility was given to the society to conduct social audits of its flagship programme for Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS). The conducting of Social Audits is carried out by various Non Government Organisation (NGOs) for generating awareness and encouraging people to analyse the implementation of the Act.

The table below is a summary of the Social Audits and Public Hearing conducted across the State during the Financial Year 2015-16.

Sl. No.	District	No. of NGOs Engaged	No. of Social Audit Coordinators	No. of Public Hearings	No. of VECs where Social Audit was conducted
1	East Garo Hills	3	1	20	969
2	East Jaintia Hills	2	1	12	294
3	East Khasi Hills	13	2	98	1012
4	North Garo Hills	4	1	24	906
5	Ri Bhoi	3	1	66	962
6	South Garo Hills	3	1	30	1216
7	South West Garo Hills	3	1	18	800
8	South West Khasi Hills	1	1	6	334
9	West Garo Hills	6	2	46	2180
10	West Jaintia Hills	4	1	16	464
11	West Khasi Hills	2	1	14	611
	Total	44	13	350	9748

The Director, MSSAT, highlighted the efforts undertaken during 2015-16 for the conduct of Social Audit during 2015-16. The major findings during the social Audits were as below:

- a. Delay in payment of wages and material costs: These cases have been reported all across the whole state.
- b. Improper maintenance of records: These cases have been reported in some of the districts.
- c. Non entry/reflection of data in the MIS: These are cases where payment has been made whereas data have not been fed in the MIS.
- d. Commission from the Post Office: This case was reported from Mynsngat & Moolyngkdein VEC, Thadlaskein block, West Jaintia Hills District where commission was taken by P.O. Master.
- e. No documents/lost documents: These cases have been reported in south Garo & North Garo Hills District. This happens mostly due to change of office bearers.
- f. Use of JCB: Reported in Tikrikilla C&RD Block, West Garo Hills District.
- g. Misappropriation of funds: Details of such cases reported are as per the table below:

District	Block	Cases Reported	Amount Involved
East Garo Hills District	Dambo Rongjeng	2	27840
	Songsak	2	263060
	Samanda	1	1500
North Garo Hills District	Resubelpara	7	459215
	Kharkutta	10	2810432
West Garo Hills District	Rongram	1	84456
West Jaintia Hills District	Thadlaskein	1	316354

Action Taken Report on the Findings of the Social Audit during Financial Year 2015-16

Sl. No.	District	Block	VECs	Issues / Findings	Action taken
1	East Jaintia Hills	Khliehriat C&RD Block	1) Bataw, 2) Hingaria, 3) Huroi, 4) Musniang Lamare Old, 5) Cham Cham, 6) Lumchirmit 7) Donaskur, 8) Umtyra, 9) Umrasong, 10) Nongsning, 11) Lad Lakadong, 12) Nongthymme, 13) Shilliang Umchong, 14) Khliehriat West, 15) Wapungskur 16) Ladrymbai Dongwah, 17) Mookhep, 18) Jalyiah, 19) Ratachara, 20) Rymbai, 21) Iongkaluh, 22) Moolamanoh, 23) Tongseng Narpuh.	There was delay in payment.	Payment of wages was cleared by the Block within 17.11.2016 to 48 nos. of VECs. However, for Musniangrim VEC (Material Cost amounting to Rs 34,990/-) and Deinsatlang VEC (Wages amounting to Rs 15,763/- and Material Cost amounting Rs 39,080/-) was still pending.
			1) Bataw, 2) Hingaria, 3) Huroi, 4) Musniang Lamare Old, 5) Cham Cham, 6) Lumchirmit 7) Donaskur, 8) Dona Umbluh, 9) Kairang, 10) Nongthymme, 11) Sutnga, 12) Mookympat, 13) Wapungskur, 14) Ladrymbai Dongwah, 15) Jalyiah, 16) Batachara, 17) Rymbai, 18) Iongkaluh, 19) Moolamanoh, 20) Tongseng Narpuh, 21) Lumtongseng, 22) Chiehruphi, 23) Iapmala, 24) Sonapyrdi, 25) Pyrta Kuna, 26) Suchen Lumiarain, 27) Lahalein, 28) Umstain, 29) Brichyrnot, 30) Tuberkaishnong, 31) Tuber Sohshrieh, 32) Musniang Rim, 33) Musniang Jongden, 34) Pamrakmai, 35) Pynurkba.	Records were not properly maintained.	Training on Bookkeeping was conducted by the Block on the 4th, 5th and 6th July, 2016.
			1) Bataw, 2) Hingaria, 3) Huroi, 4) Musniang Lamare Old, 5) Cham Cham, 6) Lumshyrmit, 7) Byndihati, 8) Lama, 9) Donaskur, 10) Dona Umbluh, 11) Kairang, 12) Nongthymme, 13) Sutnga, 14) Mookympat, 15) Wapungskur, 16) Ladrymbai Dongwah, 17) Jalyiah, 18) Batachara, 19) Rymbai, 20) Iongkaluh, 21) Moolamanoh, 22) Tongseng Narpuh, 23) Lumtongseng, 24) Chiehruphi, 25) Iapmala, 26) Sonapyrdi, 27) Pyrtakuna, 28) Suchen Lumiarain, 29) Lahalein, 30) Umstain, 31) Brichyrnot, 32) Tuberkaishnong, 33) Tuber Sohshrieh, 34) Musniang Jongden, 35) Pamrakmai, 36) Pamrapaithlu, 37) Pynurkba, 38) Sohkympor, 39) Umsatai, 40) Mukhaialong.	Worksite facilities were not available at the worksite.	Worksite facilities were provided to the 55 Nos. of VECs.

Sl. No.	District	Block	VECs	Issues / Findings	Action taken

Management Information System Financial Year 2015-16 & 2016-17

Management Information System (MIS) of 2015-16

The Management Information System has made data transparent and available in the public domain to be equally accessed by all. The village level household database has internal checks for ensuring consistency and conformity to normative processes. Overall management of MGNREGA has been through the MIS. This has enabled proper review of performances of the various Districts and Blocks in the State, thereby, allowing us to take corrective measures in the form of various training and awareness programmes conducted at Districts and Blocks.

The Electronic Fund Management System (eFMS) was implemented this financial year for the payment of all MGNREGA related expenses. It was implemented in the pilot district of East Khasi Hills District in 5 blocks out of the total of 8. An amount of Rs. 2.22 crore was initialized for this purpose. These five blocks are Myllem, Mawsynram, Mawryngkneng, Mawkynrew and Khadarshnong-Laitkroh. The system will then be implemented in the remaining blocks in the following Financial Year of 2016-17. The eFMS streamlined the process of transferring the wages directly to the beneficiaries accounts, thereby eliminating unnecessary time consuming processes. The Financial Year 2015-16 saw the disbursement of an amount of Rs. 2.17 crore to the beneficiaries through the eFMS.

Regular reviews and trainings on the MIS was conducted by SRES. The MIS playing a pivotal role in the monitoring and evaluation of the programme along with ensuring maximum transparency, trained human resources under MGNREGA and a robust ICT infrastructure is always an important parameter for the performance.

Several programmes conducted during the year for MIS related activities are as follows:

Training Programmes on MIS of 2015-16

Sl. No	Name of the Training Programme	Venue	Date	No. of Participants
1	Review on MIS Operationalization under MGNREGA	SRES	22 nd May, 2015	46

Construction of Piggery Shed of Shri Robinson Nongrum, Mawryngkneng C&RD Block, East Khasi Hills District

Management Information System (MIS) of 2016-17

MIS trainings were conducted to impart the new features incorporated in the NREGA MIS to the District and Block level MGNREGA personnel. Block officials were explained on the process of eFMS and were instructed so as to enable the seeding of bank accounts in NREGASoft from the State end which enabled eFMS to be implemented in unbanked locations by transferring wages to VEC accounts. Demonstrations on implementation of eFMS for material, skilled/semi-skilled payment was shown to the trainees. Various new reports were incorporated in the MIS and the explanation of such reports was given to the trainees.

During the current financial year, trainings on Geo-MGNREGA were also organised at Shillong and Tura for their respective district and block level officials.

Sensitisation Workshop cum Training Programme on Geo-MGNREGA held at Yojana Bhawan, Shillong on the 6th of October, 2016

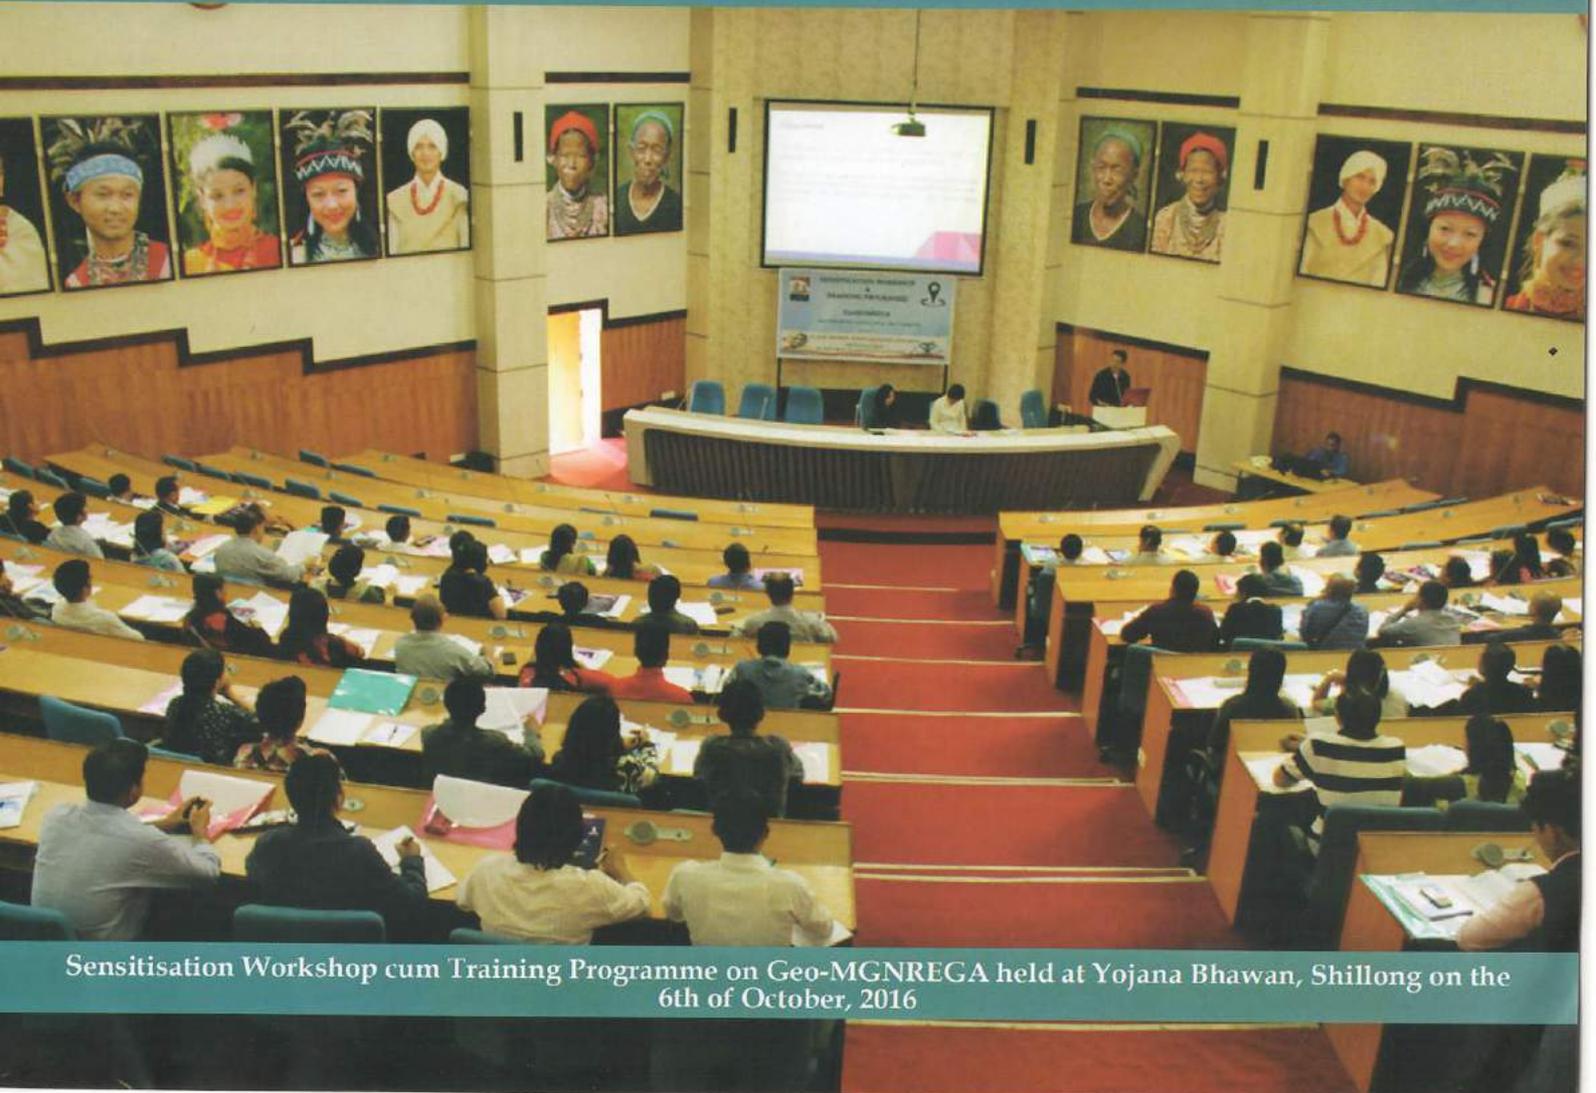

MIS trainings were conducted to impart the new features incorporated in the NREGA MIS to the District and Block level MGNREGA personnel. MIS trainings conducted during FY 2016-17 is as per the following table:

Success Stories

Financial Year 2015-16 & 2016-17

EAST KHASI HILLS of 2015-16

1. Construction of Footpath near Kper Bahduh Kyndo adjacent to Nongkyntoit, Rngikseh VEC, Mawryngkneng C&RD Block, East Khasi Hills District

1. Construction of Footpath near Kper Bahduh Kyndo adjacent to Nongkyntoit, Rngikseh VEC, Mawryngkneng C&RD Block, East Khasi Hills District (During Construction)

The main aim of Construction of this Footpath was to ease the inconvenience faced by the people living in that area. The implementation of this Scheme has been of great help to the villagers and it has generated employment to the registered households as well as improved the connectivity in the VEC. Apart from earning their daily wages, this footpath has become an asset to the villagers.

Name of VEC :	Rngikseh
Total amount sanctioned/estimated:	Rs. 7,39,972/-
Year of sanction :	2015-16
Total amount spent on wages :	Rs. 5,09,448/-
Total amount spent on materials :	Rs. 2,30,554/-
Total No.of household provided employment :	87 H/H
Total persondays generated :	3042
Date of starting the project :	02/11/2015
Date of completing the project :	06/08/2016

2. Construction of Water Harvesting Structure cum washing place at Wahshyngiar VEC, Mawryngkneng C&RD Block, East Khasi Hills District

Construction of Water Harvesting Structure cum washing place at Wahshyngiar VEC, Mawryngkneng C&RD Block, East Khasi Hills District (During Construction)

Before construction of this project, the village faced difficulties in getting water and also there was no proper place for washing clothes. To relieve the problem faced by the villagers, the VEC took up the construction of water harvesting structure cum washing platform during the FY 2015-16 which was completed within the same year. After completion of the project, water has become easily accessible to the villagers and the washing platform constructed has been of great use.

Name of VEC :	Wahshyngiar
Total amount sanctioned/estimated:	Rs. 4,20,800/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 2,60,800/-

3. Construction of Metal Road from PWD Road to Bharat Scouts & Guides Centre at Umtyingngar VEC, Khatarshnong Laitkroh C&RD Block, East Khasi Hills District

Construction of Metal Road from PWD Road to Bharat Scouts & Guides Centre at Umtyingngar VEC, Khatarshnong Laitkroh C&RD Block, East Khasi Hills District (During Construction)

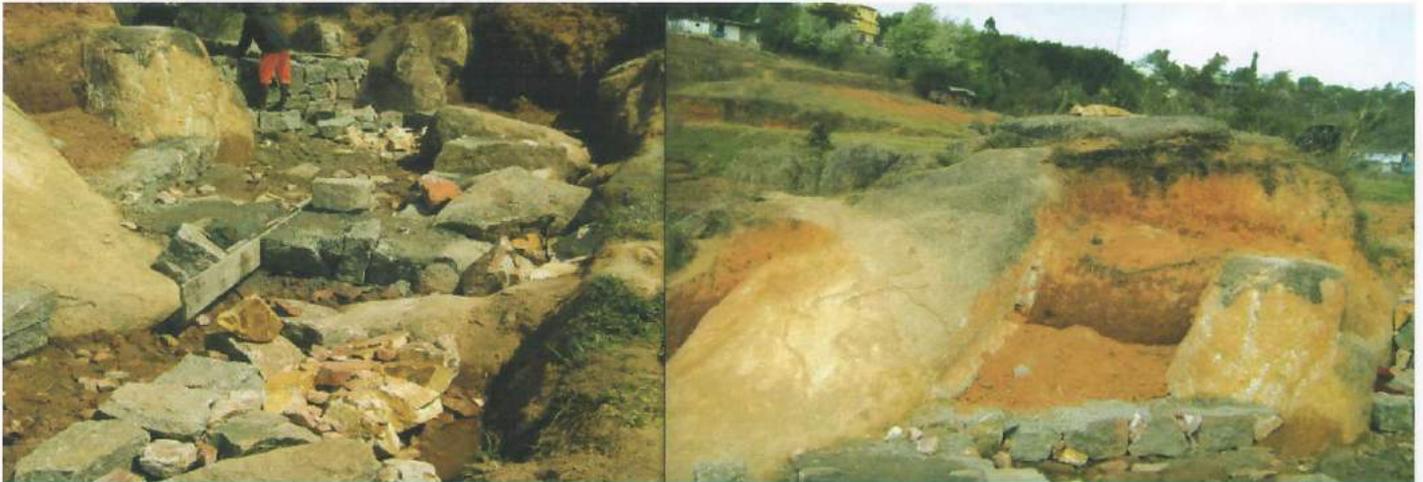

At Umtyingngar VEC under Khatarshnong Laitkroh Block, a special project had to be undertaken in the year 2015-16 which is the construction of Metal Road From PWD Road to Bharat Scouts & Guides Centre. The Bharat Scouts & Guides in this centre were celebrating the Platinum Jubilee in this Financial Year. Since the road leading to this centre is a rough and beaten tract, so construction and black topping it was required for such a special occasion. This is infact one of the special project undertaken by this block so far.

Name of VEC :	Umtyingngar
Total amount sanctioned/estimated:	Rs. 92,257/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 55,257/-
Total amount spent on materials :	Rs. 37,000/-
Total No.of household provided employment :	20 H/H
Total persondays generated :	339
Date of starting the project :	26/08/2015
Date of completing the project :	26/01/2016

Construction of Metal Road from PWD Road to Bharat Scouts & Guides Centre at Umtyingngar VEC, Khatarshnong Laitkroh C&RD Block, East Khasi Hills District (After Construction)

4. Construction of Water Conservation cum washing place at Marbaniang Umseingiong VEC, Myllem C&RD Block, East Khasi Hills District.

Construction of Water Conservation cum washing place at Thwei Lyngbthuh, Marbaniang Umseingiong VEC, Myllem C&RD Block, East Khasi Hills District (During Construction)

This project was undertaken to conserve the water resource and also to provide a washing place for the village. The project has reduced the water wastage or loss which in turn benefits the people in the surrounding areas. It involves the reduction in the usage of water as well as recycling the waste water for various purposes such as irrigation and cleaning.

Name of VEC :	Marbaniang Umseingiong
Total amount sanctioned/estimated:	Rs. 10,18,750/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 6,50,370/-
Total amount spent on materials :	Rs. 3,68,380/-
Total No.of household provided employment :	114 H/H
Total persondays generated :	3990
Date of starting the project :	18/02/2016
Date of completing the project :	30/03/2016

Construction of Water Conservation cum washing place at Thwei Lyngbthuh, Marbaniang Umseingiong VEC, Myllem C&RD Block, East Khasi Hills District (After Construction)

5. Construction of Footbridges at Umjliang River, Madaningsyiem VEC, Myllichem C&RD Block, East Khasi Hills District

Construction of Footbridges at Umjliang River, Madaningsyiem VEC, Myllichem C&RD Block, East Khasi Hills District (During Construction)

Prior to the construction of the footbridge under MGNREGA the residents of the VEC had to use a small and old RCC bridge to cross the stream which was unsafe during the monsoon season. The footbridge constructed is wider and proper railings are provided. It has greatly benefited the people as they are now able to access their agricultural land more easily, thereby increasing their efficiency, as well as greatly improving overall connectivity in this area. These all contribute to the expansion of growth opportunities and real income, thereby reducing poverty.

Name of VEC :	Madaningsyiem
Total amount sanctioned/estimated:	Rs. 9,13,500/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 5,76,368/-
Total amount spent on materials :	Rs. 3,37,132/-
Total No.of household provided employment :	221 H/H
Total persondays generated :	3536
Date of starting the project :	14/03/2015
Date of completing the project :	31/03/2016

Construction of Footbridges at Umjliang River, Madaningsyiem VEC, Myllichem C&RD Block, East Khasi Hills District (After Construction)

6. Construction of Foot Bridge at Nongbah Mawphu VEC, Shella Bholaganj C&RD Block, East Khasi Hills District

Construction of Foot Bridge at Nongbah Mawphu VEC, Shella Bholaganj C&RD Block, East Khasi Hills District (During Construction)

The construction of foot bridge at Nongbah Mawphu VEC involved the participation of local people, officials and representatives from the Government. Due to sustained efforts and interests of these people, the Government has sanctioned the project under MGNREGA program in the year 2015-16. The purpose of constructing this Foot Bridge by this village is to overcome the problem which they have faced for so year, as they could not cross easily from the river which flow across their pathway connecting with the adjacent villages especially during the monsoon season.

Prior to the construction of this foot bridge, the villager have constructed a temporary bridge made of wooden planks and scraps easily available in the village. Though, this temporary bridge served the purpose but it was very risky for the small children crossing it during heavy rainfall. Thus, this Foot Bridge is a boon to the whole village. This project has also provided employment opportunities to the Job Cards Holders (both men and women) and also the VEC has been able to create this bridge as one of the Community durable asset in the village.

Name of VEC :	Nongbah Mawphu
Total amount sanctioned/estimated:	Rs. 4,56,400/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 2,85,250/-
Total amount spent on materials :	Rs. 1,71,150/-
Total No.of household provided employment :	50 H/H
Total persondays generated :	1750
Date of starting the project :	24/08/2015
Date of completing the project :	09/10/2015

Construction of Foot Bridge at Nongbah Mawphu VEC, Shella Bholaganj C&RD Block, East Khasi Hills District (After Construction)

RI BHOI of 2015-16

1. Construction of Motorable Road i/c Side Drain Retaining Wall at Pahamsyiem VEC, Umling C&RD Block, Ri Bhoi District

Construction of Motorable Road i/c Side Drain Retain ing Wall at Pahamsyiem VEC, Umling C&RD Block, Ri Bhoi District (During Construction)

Before construction of the footpath, the pathway was muddy and slippery during rainy season making it difficult to commute. This made the VEC to take up the construction of C.C footpath in this area. The footpath connects the adjoining villages and the nearby agricultural fields. It helps in easy accessible throughout the season and serves for transportation in the village. Besides, it also provided employment to the Job Card holders.

Name of VEC :	Pahamsyiem
Total amount sanctioned/estimated:	Rs. 81,50,000 /-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 48,90,000/-
Total amount spent on materials :	Rs. 32,60,000 /-
Total No.of household provided employment :	420 H/H
Total persondays generated :	30000
Date of starting the project :	19/08/2015
Date of completing the project :	23/11/2015

Construction of Motorable Road i/c Side Drain Retaining Wall at Pahamsyiem VEC, Umling C&RD Block, Ri Bhoi District (After Construction)

2. Renovation of Traditional Water bodies at Mawdiengngan VEC, Umsning C&RD Block, Ri Bhoi District

Construction of Traditional Water bodies at Mawdiengngan VEC, Umsning C&RD Block, Ri Bhoi District (During Construction)

The project has greatly benefited the villagers, since they now have a proper place for accumulate drinking water facilities as well as a place for washing clothes even during the rainy season. This has also helped in maintaining the traditional water bodies. The villagers are happy with MGNREGA as it has in many ways increased their income resulting in the increase in their social and economic life.

Name of VEC :	Mawdiengngan
Total amount sanctioned/estimated:	Rs 13, 04,000/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs 7, 82,400/-
Total amount spent on materials :	Rs 5, 21,600/-
Total No.of household provided employment :	100 H/H
Total persondays generated :	475
Date of starting the project :	19/10/2015
Date of completing the project :	02/03/2017

Construction of Traditional Water bodies at Mawdiengngan VEC, Um C&RD Block, Ri Bhoi District (After Construction)

EAST JAINṬIA HILLS of 2015-16

1. Construction of WBM Road at Khliehmyntriang VEC, Khliehriat C&RD Block, East Jaintia Hills District (Before & During Construction)

Construction of WBM Road at Khliehmyntriang VEC, Khliehriat C&RD Block, East Jaintia Hills District (Before & During Construction)

The construction of Water Bound Macadam (WBM) Road at Khliehmyntriang VEC is to provide easy and safe transportation for the villagers especially the school children, women and elderly people as well as for transportation of goods and commodities. With the construction of Water Bound Macadam (WBM) Road, the burden of the villagers for transportation of goods and other activities has reduced especially during the rainy season. Socio-economic well being of the rural people has also been improved. Access to education and health facilities has improved. The project involved an active participation of the villagers and provide opportunity for livelihood.

Name of VEC :	Khliehmyntriang
Total amount sanctioned/estimated:	Rs. 10,86,660/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 6,52,000/-
Total amount spent on materials :	Rs. 4,34,660/-
Total No.of household provided employment :	100 H/H
Total persondays generated :	4000
Date of starting the project :	02/10/2015
Date of completing the project :	21/12/2015

Construction of WBM Road at Khliehmyntriang VEC, Khliehriat C&RD Block, East Jaintia Hills District (After Construction)

2. Construction of Internal Road at Cham Cham VEC, Khliehriat C&RD Block, East Jaintia Hills District

Construction of Internal Road at Cham Cham VEC, Khliehriat C&RD Block, East Jaintia Hills District (Before & During Construction)

The construction of Internal Road at Cham Cham VEC is to provide all weather rural road connectivity to the villagers for easier transportation of goods and commodities and also during calamity/emergency crisis. The construction work involved an active participation of the villagers and provide employment opportunity for the Job Card holders. The mobility level of the people has increased and the tourist are drawn to make social visit and recreational journey to more distant places. With the availability of proper connectivity, the villagers can easily access to markets, health care, schools etc.

Name of VEC :	Cham Cham
Total amount sanctioned/estimated:	Rs. 21,37,473/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 12,82,484/-
Total amount spent on materials :	Rs. 8,54,989/-
Total No.of household provided employment :	281 H/H
Total persondays generated :	7868
Date of starting the project :	06/02/2016
Date of completing the project :	17/03/2016

WEST JAINᑲIA HILLS of 2015-16

1. Construction of Road Side Drain & Pucca Drain at Ialong VEC, Thadlaskein C&RD Block, West Jaiᑲtia Hills District

Construction of Road Side Drain & Pucca Drain at Ialong VEC, Thadlaskein C&RD Block, West Jaiᑲtia Hills District

Ialong VEC is one of the villages that falls under Thadlaskein C&RD Block which is about 18 Kms from the Block Head quarter. The VEC have taken up the project for the construction of road side drain & pucca drain with the objective of having a proper drainage system in the VEC. The implementation of MGNREGA project indeed is a blessing to the villagers and the village as a whole. It also acts as an employment opportunity to low socio-economic status family. This particular project prevents the soft soil from erosion and other natural calamities.

Name of VEC :	Ialong VEC
Total amount sanctioned/estimated:	Rs. 20, 37, 500/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 12, 22, 500/-
Total amount spent on materials :	Rs. 8, 15, 00/-
Total No.of household provided employment :	427 H/H
Total persondays generated :	7500
Date of starting the project :	24/08/2015
Date of completing the project :	10/02/2016

Construction of Road Side Drain & Pucca Drain at Ialong VEC, Thadlaskein C&RD Block, West Jaiᑲtia Hills District

2. Construction of Retaining Wall at Nongbareh Lyntiar VEC, Amlarem C&RD Block, West Jaintia Hills District

Construction of Retaining Wall at Nongbareh Lyntiar VEC, Amlarem C&RD Block, West Jaintia Hills District (During Construction)

The VEC used to experienced soil erosion and landslide during rainy season. The construction of retaining wall was a great relief for the village as the problem of soil erosion and landslide has reduced. The project also gives a new image to the village and thereby generating very important and durable asset for the village. The wages earned helped in augmenting the family's income of the Job Card holders.

Name of VEC :	Nongbareh Lyntiar
Total amount sanctioned/estimated:	Rs. 27,88,670/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 17,91,370/-
Total amount spent on materials :	Rs. 9,97,300/-
Total No.of household provided employment :	159 H/H
Total persondays generated :	10,990
Date of starting the project :	07/12/2015
Date of completing the project :	

Construction of Retaining Wall at Nongbareh Lyntiar VEC, Amlarem C&RD Block, West Jaintia Hills District (After Construction)

NORTH GARO HILLS of 2015-16

1. Construction of Retaining Wall at Dokamcheng VEC, Resubelpara C&RD Block, North Garo Hills District

Construction of Retaining Wall at Dokamcheng VEC, Resubelpara C&RD Block, North Garo Hills District

Communication for the people in this area was difficult, especially during heavy rainfall as there was no other road for them interlinking the village with the main road of Dokamcheng VEC. Whatever kuccha road they made earlier was destroyed due to land slide. Therefore, the villagers needed to take up the protection wall very badly. The VEC decided to implement the project under MGNREGS and carried out the same during 2015-16. After completion of the project, they were relieved from the problem. The protection wall helps to protect the village road and the agricultural land which in turn helped in linking the village with the rest of the area.

Name of VEC :	Dokamcheng
Total amount sanctioned/estimated:	Rs. 14,70,300/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 882180/-
Total amount spent on materials :	Rs. 588120/-
Total No.of household provided employment :	174 H/H
Total persondays generated :	5220
Date of starting the project :	
Date of completing the project :	

Construction of Retaining Wall at Dokamcheng VEC, Resubelpara C&RD Block, North Garo Hills District

2. Construction of Irrigation Canal at Rari VEC, Resubelpara C&RD Block, North Garo Hills District

Construction of Irrigation Canal at Rari VEC, Resubelpara C&RD Block, North Garo Hills District

The village mainly consist of agricultural land and people depend on agriculture for their livelihood. Due to insufficient supply of water to irrigate the fields there is decrease in production over the years. To counter against the problem, the villagers demanded for construction of irrigation canal under MGNREGA. The project was implemented during the FY 2015-16. With the construction of the irrigation cannal, they are now able to channelised the water from the catchment area to the paddy fields. The villagers are now benefiting from it.

Name of VEC :	Rari
Total amount sanctioned/estimated:	Rs. 13,41,015/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 804609/-
Total amount spent on materials :	Rs. 536406/-
Total No.of household provided employment :	60 H/H
Total persondays generated :	4761
Date of starting the project :	
Date of completing the project :	

Construction of CC Footpath around Rongmagitil Fishery Pond at Chachinat VEC , Kharkutta C&RD Block, North Garo Hills District

3. Construction of RCC Bridge at Damas VEC, Resubelpara C&RD Block, North Garo Hills District

Construction of RCC Bridge at Damas VEC, Resubelpara C&RD Block, North Garo Hills District

This Bridge is the main connectivity linking the village to various sectors like schools, agricultural lands etc, and for transporting various agricultural products from their respective agricultural land to the main road linking the market .It was difficult for the students to attend schools during rainy season; to get basic necessities from the market; to carry the products from their agricultural lands to the market. Now the villagers have been greatly benefited by through the asset created under MGNREGS.

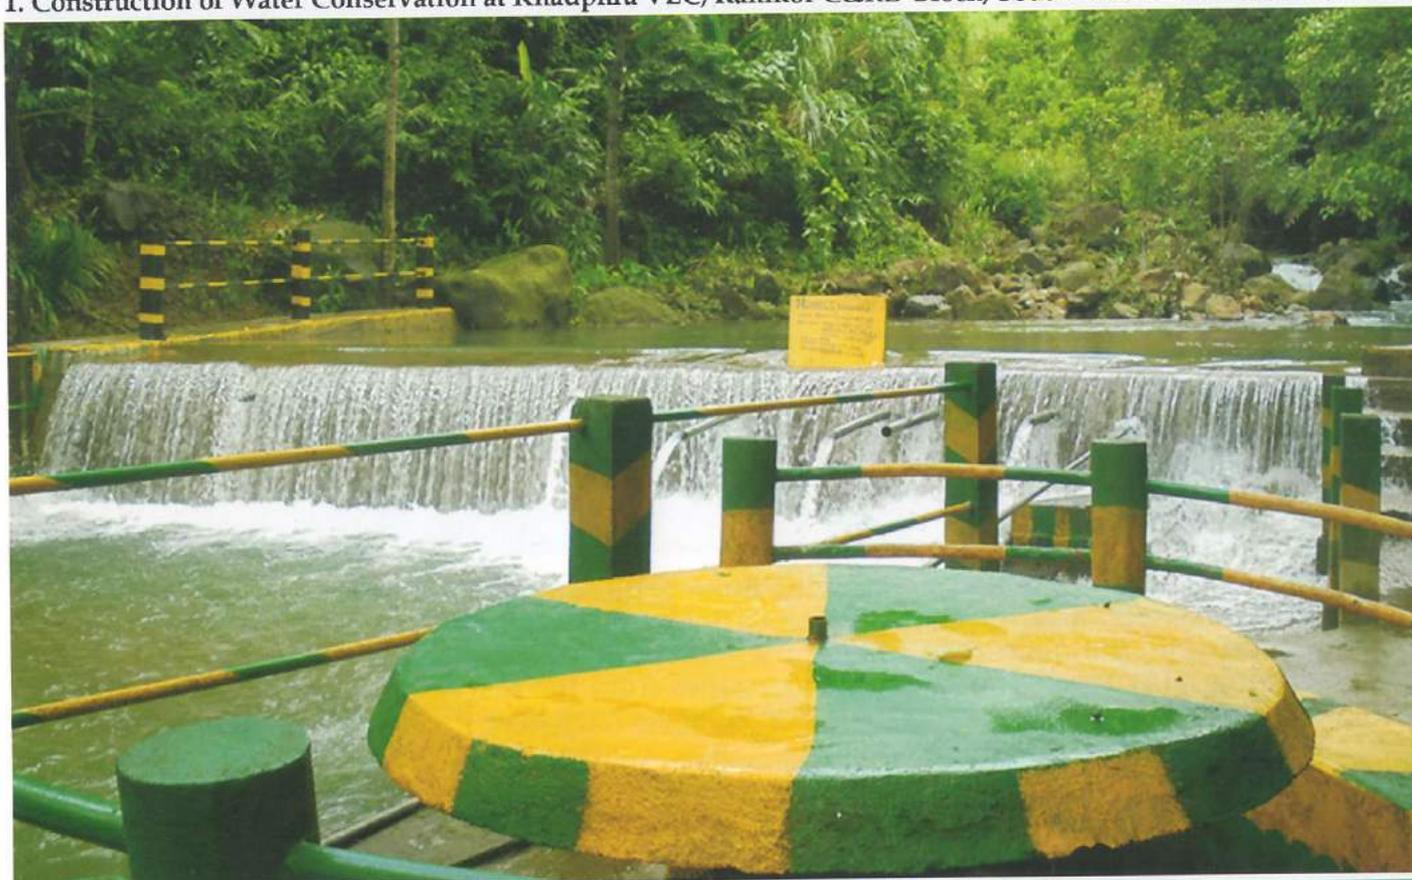

Name of VEC :	Damas
Total amount sanctioned/estimated:	Rs. 21,37,850 /-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 1282710/-
Total amount spent on materials :	Rs. 855140/-
Total No.of household provided employment :	330 H/H

SOUTH WEST KHASI HILLS of 2015-16

1. Construction of Water Conservation at Khadphra VEC, Ranikor C&RD Block, South West Khasi Hills District

Construction of Water Conservation at Khadphra VEC, Ranikor C&RD Block, South West Khasi Hills District

This project was undertaken for the conservation of water for usage during the winter season due to low levels of water supply. The project serves the purpose of conserving water and also providing a suitable washing place for the villages. This has helped in conserving the traditional water bodies in the area. It is a great benefit to the people as they now have ample supply of water especially during the dry winters. The project consist of checkdams and washing place for which the village can not only avail water but also a place for washing clothes, etc.

Name of VEC :	Khadphra
Total amount sanctioned/estimated:	Rs. 4,99,758/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs. 3,26,000/-
Total amount spent on materials :	Rs. 1,73,758/-
Total No.of household provided employment :	34 H/H

1. Land Development at Dimakgre VEC, Dadenggre C&RD Block, West Garo Hills District

Land Development at Dimakgre VEC, Dadenggre C&RD Block, West Garo Hills District

The project was demanded by Dimakgre VEC in order to improve the condition of the unutilised land. The Job card holders of Dimakgre VEC have taken up this work to give priority to activities related to construction of contour/graded bund, drainage channels and development of waste land. Under this project, it has increased land productivity and aided the workers in sustainable employment. It has focused solely on eco-restoration, land levelling and shaping, drought proofing and flood protection. It has also enhanced the livelihood of the rural people and optimised the productivity of individual lands.

Name of VEC :	Dimakgre
Total amount sanctioned/estimated:	Rs.6,46,960/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs.6,38,960/-
Total amount spent on materials :	Rs.8,000/-

2. Construction of RCC Spring Chamber at Bolchugre VEC, Dadenggre C&RD Block, West Garo Hills District

Front view of RCC Spring Chamber at Bolchugre VEC, Dadenggre C&RD Block, West Garo Hills District

This project was taken up under MGNREGA by the job card holders of Bolchugre VEC. Since this village has been facing water scarcity, this project has brought a new hope to the residents of this village as it can be used for community water supply, thereby, providing clean drinking water and proper water management. The local people played an important role in identifying the location and were also involved in deciding the feasibility of developing this particular spring chamber. In general, spring water is of good quality and the people use it for domestic water supply and for multiple purposes. The serving pipes have been fit for households which are near and far away from the spring. This project has significantly benefitted the local people to meet their daily water demand.

Name of VEC :	Bolchugre
Total amount sanctioned/estimated:	Rs.3,05,000/-

WEST KHASI HILLS of 2015-16

1. Construction of Water Conservation Ponds at Mawlieh VEC, Nongstoin C&RD Block, West Khasi Hills District

Construction of Water Conservation Pond at Mawlieh VEC, Nongstoin C&RD Block, West Khasi Hills District

Prior to the construction of the water conservation ponds, it was reported that the village was facing acute shortage of water for washing, bathing and even for drinking purposes. There are some water sources in the village but they cannot be tapped for different purposes. After construction of these water conservation ponds at different locations of the villages, scarcity of drinking/ washing water has been removed drastically. The stored water in the ponds is also used for irrigating crops in the nearby area during dry seasons. With about 25% of the households in the village engage in cattle rearing, the construction and improvement of water bodies, has solved the problems faced in areas of farming.

Name of VEC :	Mawlieh
Total amount sanctioned/estimated:	Rs.3,00,000/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs.1,79,952/-
Total amount spent on materials :	Rs.120048/-

2. Construction of Check Dam-cum Washing Platform at New Nongstoin VEC, Nongstoin C&RD Block, West Khasi Hills District

Construction of Check Dam-cum Washing Platform at New Nongstoin VEC, Nongstoin C&RD Block, West Khasi Hills District

One of the significant projects of New Nongstoin VEC is the construction of Check Dam-cum washing platform at Dong Spengthawlangmlah. In the past, this place was indiscriminately used as a place for washing vehicles and butchering of cattle etc. making the place very dirty and polluting the water. In 2015, the VEC proposed to construct a Check Dam-cum washing platform at the site under MGNREGA and it is now one of the model projects in the Block. The stored water will be converted into a fish sanctuary. Also the construction of this project has reduced the pollution of the Nonbah river to a considerable extent.

Name of VEC :	New Nongstoin
Total amount sanctioned/estimated:	Rs.12,25,646/-
Year of sanction :	2015-16
Total amount of wages spent :	Rs.735352/-
Total amount spent on materials :	Rs.490293/-

3. Construction of Fishery Pond at Kyllon Mathei VEC, Mawshynrut C&RD Block, South West Khasi Hills District

Construction of Fishery Pond at Kyllon Mathei VEC, Mawshynrut C&RD Block, West Khasi Hills District

The Village of Kyllon Mathei has a population of about 500, lies approximately 35 km from Mawshynrut C & RD Block and about 80 km from Nongstoin, the district headquarter. The VEC of Kyllon Mathei is located near coal mining areas, therefore the people are largely engaged in coal mining related works. In the beginning the number of job card holders in the VEC is minimal, i.e, only 22 out of a total household of 62. The VEC now has 52 Job Card holders. The works completed between FY 2015-16 and 2016-17 have provided unexpected contribution towards the community as a whole. The most notable work during FY 2015-16 is the construction of Fishery Pond.

The pond was constructed in an area that was previously a marshland on the side of the NH 4E road. Prior to the construction of the fishery pond, the area was also used as a garbage dumping area. After completion of the work however, there was a visible change in the aesthetics of the place. The fishery pond is being maintained by a local Self Help Group. The pond was also used for hosting fishery competitions and a profit of Rs. 6000 was accumulated. The profit was then deposited to the local SHG which is then used to provide aid to the poor and widows during times of ailments.

Name of VEC :	Kyllon mathei
Total amount sanctioned/estimated:	Rs. 9,81,500/-
Year of sanction :	2015-16

1. Construction of Footbridge at Dilsinggre VEC, Rongara C&RD Block, South Garo Hills District

Construction of RCC Footbridge at Dilsinggre VEC, Rongara C&RD Block, South Garo Hills District

The community constructed RCC footbridge at Dilsinggre in the FY 2015-16 to meet the need of people around the village. A small stream very much affected their daily life during monsoon season especially for school children because there was no other way to cross this stream when flash flood happens. As the focus was on better connectivity, the VEC prioritized construction of this project. The result provided unconditional benefits to those who reside in this particular area and hope to extend the benefit even to future generation.

Name of VEC :	Dilsinggre
Total amount sanctioned/estimated:	Rs.4,19,679/-
Year of sanction :	2015-16

2. Construction of Footsteps at Dilsinggre VEC, Rongara C&RD Block, South Garo Hills District

Construction of Footsteps at Dilsinggre VEC, Rongara C&RD Block, South Garo Hills District

For many years though the village has been able to connect to educational institutions, business centres and other goods and services for transportation from their farm or gardens. But they are yet to be connected with proper link roads. Many of them wish to access proper footways especially during rainy season which is difficult to commute as the existing path are mud based. The households together decided to construct the CC Footpath in the FY 2015-16. This linked the village to other available roads which has reduced the difficulty and not only provided long lasting assets but also provided beauty to this community.

Construction of Kitchen Garden at Donglumsainar VEC, Shella Bholaganj C&RD Block, East Khasi Hills District (During Construction)

The Construction of Kitchen Garden at Donglumsainar VEC involved the participation of Job Card Holders, officials and representatives from the Government and the School authority. The Government has sanctioned the project under MGNREGA program in the year 2016-17. The present scheme has greatly benefited the students of Maurice Patrick King Memorial Secondary School as it is actually serving quite a few purposes. This project is constructed inside the School premises.

The purpose of this project is to create awareness among the students the importance of agriculture and also as an extra-curricular activity for the students of this School. The produce from this garden are used in the Mid-Day meal scheme which serve as additional nutritive supplements for the students. This project has also provided employment opportunities to the Job Cards Holders both men and women and also the VEC has been able to create this as one of the community durable asset.

Construction of Piggery Shed at Wahkaliar VEC, Shella Bholaganj C&RD Block, East Khasi Hills District (Before Construction & During Construction)

In this village almost all the villagers are engaged in small time pig rearing. The people are enterprising and wanted to make a livelihood in many ways and one is through pig farming. Before the implementation of this project the villagers are still practising the primitive way of rearing pigs.

Through MGNREGA, the villagers took the opportunity to upgrade rearing of livestock in a scientific method with a proper shed being constructed, regular immunisation for the pigs, insurance for the animals and were able to transform into a modernised village. With the implementation of this Project it also helped in the economic income of the villagers. This has also provided employment opportunities to the Job Card Holders and the VEC has been able to create these piggery sheds as one of the Community durable assets in the village. A total of 56 Piggery Sheds have been constructed in the VEC.

The Secretary of the VEC set up a small scale mixed livelihood enterprise in which activities were taken up like pig rearing, pig breeding, poultry rearing, mushroom cultivation and a kitchen garden. He also mentioned that the Piggery Shed attained through MGNREGA not only increased his income but also uplifted his enterprise.

Name of VEC :	Wahkaliar
Total amount sanctioned/estimated:	Rs.27,19,348/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs.7,76,048/-

3. Construction of Check Dam at Wah Langru, Pingwait VEC, Mawkynrew C&RD Block, East Khasi Hills District (Before Construction & During Construction)

Construction of Check Dam at Wah Langru, Pingwait VEC, Mawkynrew C&RD Block, East Khasi Hills District (Before Construction & During Construction)

Before the construction of this Check Dam, the villagers had to walk far places for washing their clothes, utensils, for bathing and for collecting water. With the construction of this Check Dam, around 180-200 households have benefitted from this project as it has provided a source of water for their daily needs. Moreover, apart from the washing platform, they now also have proper bathrooms, separate for male and female. The wages earned helped in improving the living standard of the Job Card holders.

Name of VEC :	Pingwait
Total amount sanctioned/estimated:	Rs.26,35,062/-

5. Construction of Concrete Cement Motorable Road at Nongthymmai, Shella Bholaganj C&RD Block, East Khasi Hills District

Construction of Concrete Cement Motorable Road at Nongthymmai in Mawsmmai VEC, Shella Bholaganj C&RD Block, East Khasi Hills District

The construction of Concrete Cement Motorable Road at Nongthymmai involved the participation of local people, officials and representatives from the Government. Due to sustained efforts and interests of these people, the Government has sanctioned the project under MGNREGA program in the year 2016-17. The present scheme has greatly benefited the locals as it is actually serving quite a few purposes.

Prior to this, there were no pukka motorable road running through this locality connecting to the main PWD road. The existing pathway is accessible only in the dry and winter season but is a stumbling block, especially for commuting of sick people during the rainy season.

With the construction of this road, the resident of this locality are able to ply easily along this road. It has come as a comfort for the old and the sick. The construction of this road has also brought a new look to the whole locality. This project has also provided employment opportunities to the Job Cards Holders and also the VEC has been able to create this road as one of the community durable asset.

EAST JAINTIA HILLS DISTRICT of 2016-17

1. Construction of CC Road at Mynthlu, Saipung C&RD Block, East Jaintia Hills District

Construction of CC Road at Mynthlu, Saipung C&RD Block, East Jaintia Hills District

The path which was connecting the main village and agricultural lands was muddy and used to get inundated during rainy season. For farmers bringing the agricultural produce from the farmland was a tedious task as it was difficult to pass through the excessively muddy and uneven path. Recently this muddy path was transform into CC Road by the active participation of 158 Households under MGNREGA during the FY 2016-17. The 500m road has enabled farmers to easily transport their agriculture produce to their village.

Name of VEC :	Mynthlu
Total amount sanctioned/estimated:	Rs. 17,80,080/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs. 10,68,080/-
Total amount spent on materials :	Rs. 7,12,000/-
Total No.of household provided employment :	158 H/H
Total persondays generated :	6320
Date of starting the project :	09/09/2016
Date of completing the project :	05/12/2016

2. Renovation of Dug out Pond to Check dam cum Fishery Pond at Sakhain Moolimen VEC, Saipung C&RD Block, East Jaintia Hills

Renovation of Dug out Pond to Check dam cum Fishery Pond at Sakhain Moolimen VEC, Saipung C&RD Block, East Jaintia Hills District.

The pond renovated and desilted under MGNREGA during the FY 2016-17 have positively impacted agriculture as well as Fish farming. The pond now help in irrigation of agriculture land, thereby agriculture production has bettered after renovation of the pond. It will also help to increase the ground level in agriculture land and has also served as effective water scarcity solution. Fish farming is expected to become a strong alternate source of income for the villagers. 164 Households has been involved for implementation of this project.

Name of VEC :	Sakhain Moolimen
Total amount sanctioned/estimated:	Rs. 13,85,800/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs. 8,31,480/-
Total amount spent on materials :	Rs. 5,54,320/-
Total No.of household provided employment :	164
Total person days generated :	4920
Date of starting the project :	21/09/2016
Date of completing the project :	09/01/2017

2. Construction of Fishery Pond At Cham Cham, Wapung C&RD Block, East Jaintia Hills District

Construction of Fishery Pond at Cham Cham, VEC Wapung C&RD Block, East Jaintia Hills District

The villagers residing within the VEC, faced severe water scarcity especially during the dry season. However, after taking up the project, the problem of water scarcity has been solved. Besides rearing fish, the newly constructed fishery pond has help the people in providing a proper washing platform and for bathing.

Name of VEC :	Cham Cham
Total amount sanctioned/estimated:	Rs. 16,90,000/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs. 10,14,000/-
Total amount spent on materials :	Rs. 6,61,000/-
Total No.of household provided employment :	100 H/H
Total persondays generated :	6000

RI BHOI DISTRICT of 2016-17

1. Construction of CC Motorable Road at Diwon, Umling C&RD Block, Ri Bhoi

Construction of CC motorable road at Diwon VEC, Umling C&RD Block, Ri bhoi District

The construction of C.C motorable road, is to help the villages in the mode of transportation and communication especially during rainy season. The road connects one village to another especially during the flood period which acts as a barrier of connectivity between the villages. It helps in easy accessible to the agricultural fields throughout the season.

Name of VEC :	Diwon
Total amount sanctioned/estimated:	Rs. 14,22,417/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs. 8,53,450/-
Total amount spent on materials :	Rs. 5,68,967/-
Total No.of household provided employment :	213 H/H
Total persondays generated :	5050
Date of starting the project :	04/07/16
Date of completing the project :	12/09/16

Construction of CC motorable road at Diwon, Umling C&RD Block, Ri Bhoi District

2. Construction of drinking well i/c fencing, washing, bathing place, providing roof to washing and bathing at Lum Roman, Umsning C&RD Block, Ri Bhoi District

Construction of drinking well i/c fencing, washing, bathing place, providing roof to washing and bathing at Lum Roman, Umsning C&RD Block, Ri Bhoi District

The project has greatly benefited the villagers, since they now have a proper place for drawing drinking water as well as washing clothes. This has also help in maintaining the traditional water bodies. The villagers are happy with MGNREGA as it has in many ways increased their income resulting in the increase in their social and economic life.

Name of VEC :	Lum Roman
Total amount sanctioned/estimated:	Rs. 8, 45, 000/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs. 5, 07, 000/-
Total amount spent on materials :	Rs. 3, 38, 000/-
Total No.of household provided employment :	104 H/H
Total persondays generated :	3000

Date of completing the project :	18/02/17

Construction of drinking well i/c fencing, washing, bathing place, providing roof to washing and bathing at Lum Roman VEC, Umsning C&RD Block, Ri Bhoi District

SOUTH GARO HILLS DISTRICT of 2016-17

1. Construction of CC Motorable Road at Dasanggre, Baghmara C&RD Block, South Garo Hills

Construction of CC motorable road at Dasanggre , Baghmara C&RD Block, South Garo Hills District (During)

Dasanggre VEC is a beautiful place near the Bangladesh border. The Village road was muddy prior to taking up the CC Motorable road. The community was facing difficulty especially the school children and for transportation of agriculture produce. The people of the Dasanggre VEC in addition to adjoining villages benefited from the project in transporting of cashew nut, betel nut and agricultural and horticultural produce to sell them at the local markets.

Name of VEC :	Dasanggre
Total amount sanctioned/estimated:	Rs. 770640/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs. 462384/-
Total amount spent on materials :	Rs. 308256/-
Total No.of household provided employment :	57 H/H
Total persondays generated :	2736
Date of starting the project :	07-10-16
Date of completing the project :	17-11-16

Construction of CC motorable road at Dasanggre VEC, Baghmara C & RD Block, South Garo Hills District

2. Construction of Canal in Agriculture Field at Nilwa Adinggre , Baghmara C&RD Block, South Garo Hills

Construction of Canal in Agriculture Field at Nilwa Adinggre VEC, Baghmara C&RD Block, South Garo Hills District

Many of the paddy fields of Nilwa Adinggre VEC lies below a hillock. During the rainy season ,excessive rain water flows down the hillock and flooded the paddy fields causing extensive damaged. The canal was constructed to control the overflow of rain water and soil erosion thereby prevent the agricultural land from being damaged. Therefore, it has tremendously helped the farmers of that area and at the same time channelise the water when required for irrigation purposes.

Name of VEC :	Nilwa Adinggre
Total amount sanctioned/estimated:	Rs. 211250/-
Year of sanction :	2016-17
Total amount of wages spent :	Rs. 126750/-
Total amount spent on materials :	Rs. 84500/-
Total No.of household provided employment :	75 H/H
Total persondays generated :	750
Date of starting the project :	03-08-16
Date of completing the project :	13-08-16

MGNREGA...

(Cont from Edit)...grass-roots. This may be called 're-distribution of wealth' to boost the rural economy. Corruption at any level cannot be condoned. But when the whole country is at a loss on how to deal with multi-billion dollar corruption involving top leaders and high officials of the country, corruption in thousands and lakhs of rupees in the villages is only a corollary, not a failure of the NREGS. There is no magic wand to conjure up development, or eradicate corruption.

The good things that the NREGS has brought about besides the construction of durable community assets are: It has paved the way for attitudinal change among the people to accept positive democratic elements in grass-roots governance; it has taught the village leaders to maintain records of various transactions in official procedures of public administration. Recently the VEC's are instructed to open bank accounts for each job card holder through which payments shall be made. This would initiate the rural people to banking.

The scheme has also made rural folks more assertive to demand for their rights and to complain against wrongdoings. Last but not the least, even if corruption cannot be totally prevented, the wealth gained out of it, does not go to the coffers of the super rich but is injected into the rural economy, and this would indirectly create employment too. NREGS should stay for the sake of these good things. If any defect is found in its implementation, it is not the fault of the scheme but because of the general trend of the Indian society. Thanks to Prof Debroy and to Prof B Panda for their enlightening arguments, and thanks also Mr K.N. Kumar for his enthusiasm about the scheme in spite of some defects because without enthusiasm any scheme would have been buried before its birth.

SHILLONG, MONDAY, AUGUST 19, 2013 VOL NO: 56 ISSUE NO. 9

Garo Hills makes best use of MGNREGS

By Aafaque Hussain

WILLIAMNAGAR: While the Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) is marred by scams and controversies in Khasi Hills, the villagers of Williamnagar under East Garo Hills are making the best benefit out of the Union Government scheme in improving the connectivity of inaccessible villages of East Garo Hills.

One third of the population of Samanta C&RD Block reside on southern side of Simsang River and this area is sandwiched between Durama Hills and Simsang River.

The only way for the people of this area to reach Williamnagar is to cross the Simsang River and the river allows crossing it by vehi-

cle for only four months in a year and rest of the year the only way to cross the river is by traditional boat called "ring" in local language.

Since an under construction bridge is eluding them for past 30 years, every day hundreds of vegetable vendors, students, teachers, patients and others find it quite a challenge to cross the river. However, after inception of MGNREGS, the VECs across the river took up many useful works to improve communication and 5 VECs came together and decided to construct a suspension footbridge jointly and approached the District Administration.

The Meghalaya Integrated Basin Development and Livelihood Promotion Program (MIBDLP) supported the project by way of providing the Critical Gap

Funding and also getting the project technical vetted by IDFC.

East Garo Hills Deputy Commissioner Vijay Kumar Mantri said that the Meghalaya Integrated Basin Development Livelihood Programme is contributing 18.5% of the Project Cost under Convergence.

The rest of the project cost is being funded by MGNREGS and community contribution.

Reacting to a query, he said that the project has made 80% physical progress and will be completed by the end of September.

It is learn that the proposed bridge will be of great help for the inhabitants of other side of Simsang river as it will greatly help vegetable sellers and students who have to come to Williamnagar in a boat.

The under construction foot suspension bridge over Simsang river at Williamnagar. (ST) 6 2013

Nongpoh, Lber 27: Ym lah ban len ka jingpyntreikam ka sorkar Kmie ryngkat ka jingiatei lang ka sorkar jylla ban pyntreikam ia ka skhim NREGS sha ki shnong nongkyndon ka la ai ka jingmyntoi shibun eh ia ki paidbah ha kaba ym tang ba ki ioh jingmyntoi ha ka liang ka ioh kam ioh jam ban leit bylla sngi, hynrei namar ka jingwan ki kam pynroi ki la ioh jingmyntoi ruh ha kiba bun ki liang.

Katkum ka jinglap' jong u Nongthoh khabor u Mawphor, la dei ban ai ia ka jingiaroh kaba khraw ia ki bor sorkar bad ki bor shnong lada ki la pyntrei hok ia ka skhim na ka bynta ka jingmyntoi jong u paidbah, namar kane ka skhim ba la mang kyrapng da ka sorkar la lap ba ka la ai jingmyntoi shisha sha ki paidbah nongshong shnong namar ba ki kam pynroi ki wan sha ki shnong ki thaw.

Ka jingshisha ba u nongthoh khabor u la lap ba kane ka skhim NREGS ka la pynmyntoi ia ki paidbah nongshong shnong, ka la wan urlong ruh ha ka shnong

Umsawnongkharai ha Ri-Bhoi ha kaba da ka jingwan katei ka skhim sorkar kmie, ki paidbah nongshong shnong kumba baroh shi katta ki ia kynduh mawsiang ha ka liang ka umbam ka umdih, hynrei naduh ba la wan katei ka skhim mynta ki la biang la bit ym tang ha ka umbam ka umdih ba u paidbah nongshong shnong u donkam hynrei ki la biang la bit ruh wat ha ka sum ka sait na ka bynta ki paidbah nongshong shnong.

Kumba u Nongthoh khabor u la lum jingtip na u Rangbah Shnong ka Umsawnongkharai, u Bah A. Sun, u la iathuh ba ka long shisha ka jingmyntoi kaba khraw ia ki paidbah naduh ba ka skhim NREGS ka la wan ha katei ka shnong. U la ong ruh baroh shi katta ha ki snem ba fa leit neh ki paidbah ki ia kynduh mawsiang ym tang ha ka umbam ka umdih, hynrei ki ia kynduh jingeh ruh wat ha ki jaka sait jaka khlieng namar ba ki paidbah kim ioh jaka ban sum ban sait bad ban ioh ia ka umbam ka umdih kaba paka.

"Ka long pat ka jingkhur

Bteng Sla 7

Na ka skhim NREGS myntoi

kaba khraw naduh ba ka bor shnong ka la tei ia katei ka Tlong um ba la tei syndon ha ka rukom kaba biang bad ba paka, ki paidbah ki la ioh biang ia ka jingkyrkhu naduh ka umbam ka umdih bad ka jaka sum ka jaka sait" la ong u Bah Sun.

U la iathuh ruh ba ia katei ka Tlong um la tei na ka skhim NREGS jong u snem 2011-12 lyngba ka jingbei pisa na ka ophis U BDO Umling C&RD Block ha ka jinglut kaba la kot sha ka T. 16,89,090 Lak tyngka ka la long ka jingmyntoi kaba khraw ia ki paidbah bad ym tang katei ka tlong um ba la lah ban tei na katei ka skhim hynrei ki ruh shibun ki kam pynroi ba u paidbah u la ioh jingmyntoi na katei ka skhim sorkar.

Kumba leit ban jurip da u Nongthoh khabor, ka jingtei ia katei ka tlong um ki paidbah ha katei ka shnong ka la dei ruh kawei na ka jingtei kaba la biang pura katkum ka jingdonkam u paidbah nongshong shnong, namar hakatei ka jaka ba la tei ia ka tlong la don ruh naduh ki jaka sait jain paidbah bad kumjuh ruh wat ki kamra ban sum ki paidbah ba la tei ha ka rukom kaba itynnad bad wan dur katkum ka jingdonkam u paidbah.

Ha kane ka jingleit jurip ia katei ka tlong Um ha katei ka shnong, u nongthoh khabor u la ioh ruh ban ia kren bad ki katto katne ki Longkmie bad kynthup ruh ia ka Kong Maria Syngkli kiba la pynpaw ia ka jingsngewnguh kaba khraw ia ka sorkar bad kumjuh ruh ia ki bor shnong kiba la pyntrei hok ia katei ka skhim.

Katei ka longkmie ka long ruh kum ka Longkmie kaba don ia ki khun ki kti kiba donkam ia ka umbam ka umdih bad ka umsum umsait ka la long shisha ka jingkyrkhu lyngba ka jingdon jong katei ka tlong um ba la pyntrei na ka skhim NREGS, namar baroh shi katta ki ia kynduh mawsiang ha ka umbam ka umdih bad ka umsum ka umsait, hynrei naduh ba la lah ban tei ia katei ka tlong um ki paidbah ki la myntoi shisha ban ioh pyndonkam ia ka umbam umdih bad ka umsum umsait.

Ka la bynrap ruh, la jin ba ym don kane ka skhim NREGS ba la tei ia kane ka tlong um, ha kane ka por ba rang kata naduh u bnai Kyllalynkong haduh ki bnai ba sa sdang ka por lyiur, ki paidbah ki ia kynduh mawsiang ha ka umbam ka umdih, hynrei mynta pat ba la don kane ka tlong um ba latei na ka skhim NREGS ka la ai jingmyntoi shisha ia ki paidbah ha ka liang ka umbam ka umdih bad ka umsum umsait namar ba ki paidbah kim donkamshuh ban leit sha ki wah kiba jakhlii.

Shuh shuh, kumba kane ka skhim ka la pynmyntoi ia kiba bun tylli ki shnong ha Ri-Bhoi Dsitrict kiba pyndonkam hok katkum ba la mang da ka sorkar, hynrei kumba la ioh jingujor pat na kiba bun ki Rangbah Shnong ha Ri-Bhoi la ong ba wat lada kane ka skhim ka la ai jingmyntoi ia ki paidbah, hynrei ha kine ki sngi kiba mynta kiba bun ki shnong ki ia kynduh mawsiang namar ka jingpoi pisa duna palat ba ka sorkar kmie ka la phah sha ki Shnong.

Ka jingpynlait pisa ba khyndiat jong ka sorkar ka la buh ruh ha ka jingeh ia ki nongpyniaid shnong, namar na ka daw ka jingduna ka pisa ba la phah da ka sorkar, la shem jingeh ban pynbiang ia ka bai bylla sngi ki paidbah shnong ne wat ban pynbiang ia ki tiar ki tar na ka bynta ban pyntrei ia ki project bapher bapher ha ki shnong.

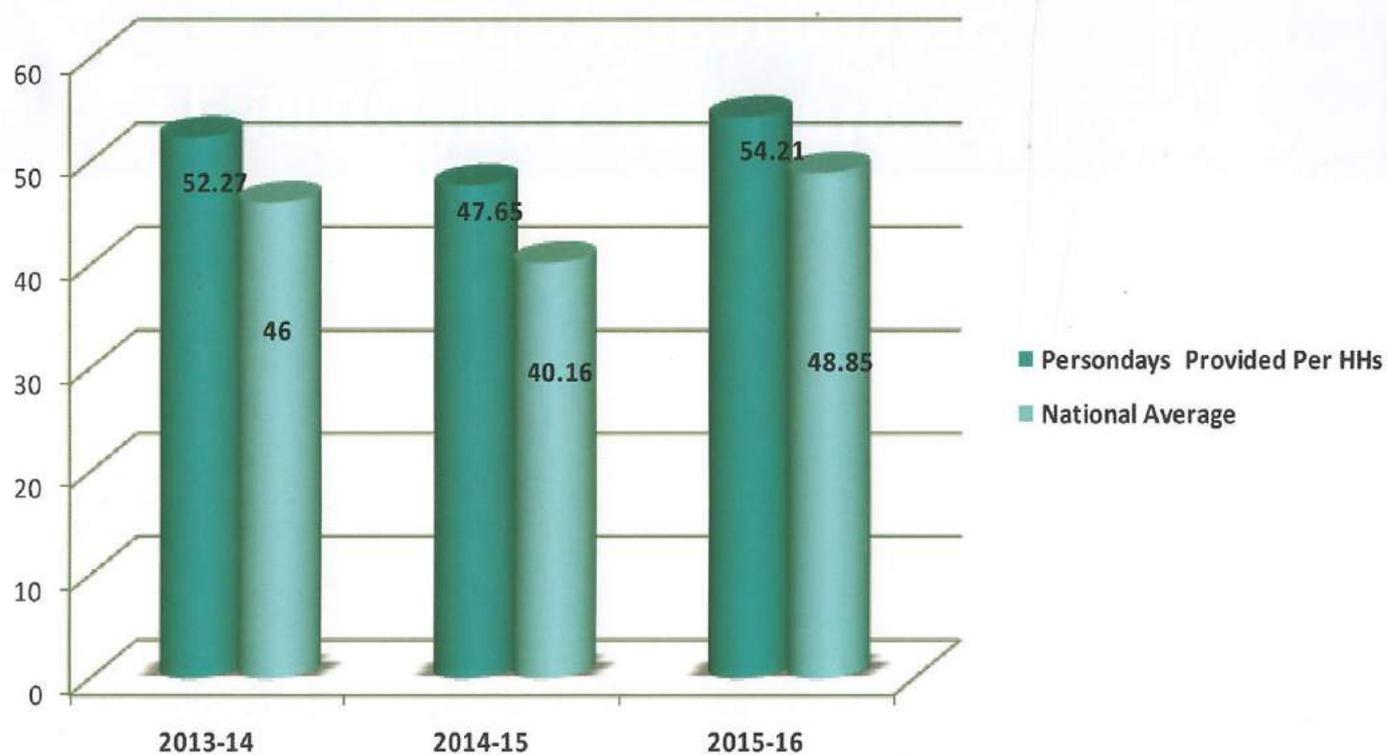

Kumba u nongthoh khabor u la ioh ia ka jingujor, ka pisa kaba la pynlait da ka sorkar sha ki shnong kam dap satia wat tang ban thied ia ki tiar ki tar (Material) bad kaba buh ruh ia ka jingeh namar ba hap siew ia ka bai bylla sngi jong ki paidbah kumba la mang da ka sorkar lyngba kata ka Job Card Holder.
